Freezer Paper Foundation Piecing Overview - This technique uses the same numbered pattern that you might use in Paper Piecing, but you don't stitch through the paper. Instead, you pre-cut the freezer paper templates, press them onto the fabric, cut the shape out, adding extra for seam allowance. Then you use the freezer paper as a stitching guide to create those sharp points. When the block is done, the freezer paper pulls off easily because it has not been stitched through. Pros

Freezer paper is a quilter's best friend! The fact that it has a shiny side that will adhere to fabric when ironed, then is easily removed, means that freezer paper has a multitude of wonderful possibilities. It makes applique easy. It eliminates the need to make all those paper patterns for foundation piecing. It makes hand piecing quicker and easier because there is no need to trace templates onto the fabric. Machine or hand quilting can be quicker and more precise. And wonder of wonders, freezer paper makes it really easy to transfer photos onto fabric.
