## ~~iOS: Getting Started - Gaia GPS~~

Just to reiterate. I think its probably not a good idea saying "No connection" when you select "User Manual for gaiagps.com" in "Help". Even some basic always available basic (emergency) instructions would be nice, i.e. when you are lost at high elevation at night with snow covering the trails trying to navigate with your headlamp dimming to low, brain addled by altitude sickness, etc. yada yada.
