The boss of New York's infamous Lucchese crime family, Anthony "Gaspipe" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspipe is Anthony Casso's shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time.

Philip Carlo's *The Ice Man* spent over six weeks on the New York Times Bestseller List. *Top Mob Hitman. Devoted Family Man. Doting Father.* For thirty years, Richard "The Iceman" Kuklinski led a shocking double life, becoming the most notorious professional assassin in American history while happily hosting neighborhood barbecues in suburban New Jersey. Richard Kuklinski was Sammy the Bull Gravano's partner in the killing of Paul Castellano, then head of the Gambino crime

family, at Sparks Steakhouse. Mob boss John Gotti hired him to torture and kill the neighbor who accidentally ran over his child. For an additional price, Kuklinski would make his victims suffer; he conducted this sadistic business with coldhearted intensity and shocking efficiency, never disappointing his customers. By his own estimate, he killed over two hundred men, taking enormous pride in his variety and ferocity of technique. This trail of murder lasted over thirty years and took Kuklinski all over America and to the far corners of the earth, Brazil, Africa, and Europe. Along the way, he married, had three children, and put them through Catholic school. His daughter's medical condition meant regular stays in children's hospitals, where Kuklinski was remembered, not as a gangster, but as an affectionate father, extremely kind to children. Each Christmas found the Kuklinski home festooned in colorful lights; each summer was a succession of block parties. His family never suspected a thing. Richard Kuklinski is now the subject of the major motion picture titled "The Iceman"(2013), starring James Franco, Winona Ryder, Ray Liotta, and Chris Evans.

Reminiscent of Wiseguy, Mob Boss is a compelling biography from two prominent mob experts recounting the life and times of the first acting boss of an American Mafia family to turn government witness Alfonso "Little Al" D'Arco, the former acting boss of the Luchese organized crime family, was the highest-ranking mobster to ever turn government witness when he flipped in 1991. His decision to flip prompted many others to make the same choice, including John Gotti's top

aide, Salvatore "Sammy the Bull" Gravano, and his testimony sent more than fifty mobsters to prison. In *Mob Boss*, award-winning news reporters Jerry Capeci and Tom Robbins team up for this unparalleled account of D'Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides, D'Arco lived and breathed the old-school gangster lessons he learned growing up in Brooklyn and fine-tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked, D'Arco quit the mob. His defection decimated his crime family and opened a window on mob secrets going back a hundred years. After speaking with D'Arco, the authors reveal unprecedented insights, exposing shocking secrets and troublesome truths about a city where a famous pizza parlor doubled as a Mafia center for multi-million-dollar heroin deals, where hit men carried out murders dressed as women, and where kidnapping a celebrity newsman's son was deemed appropriate revenge for the father's satirical novel. Capeci and Robbins spent hundreds of hours in conversation with D'Arco, and exhausted many hours more fleshing out his stories in this riveting narrative that takes readers behind the famous witness testimony for a comprehensive look at the Mafia in New York City.

The New York Times bestselling author of *Gaspire* and *The Ice Man*, Phillip Carlo returns with a hair-raising portrait of arguably the most depraved psychopath in the history of the Mafia, mob enforcer Tommy "Karate" Pitera. Another riveting journey into the darkest corners of the underworld, Carlo’s *The Butcher* is destined to be a true crime classic alongside *Wiseguys* by Nicholas Pileggi and *Underboss* by Peter Maas.

"The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."—Mike McAlary, columnist, *New York Post* They were the DeMeo gang—the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following cold-blooded plans and wild whims, from the mean streets of New York to the Florida Gold Coast, and from coast to coast. Now complete with personal revelations of one of the key players, this is the savage story that leaves no corpse unturned in its terrifying telling. INCLUDES PHOTOGRAPHS

This true crime biography chronicles the life of the so-called “Oddfather” who ran a powerful NYC crime family while playing crazy to avoid prosecution. While raking in more than one hundred million for the family, he routinely ordered the murders of mobsters who violated

the Mafia code—including John Gotti. At the height of Gigante's reign, the Genovese Family was the most powerful in the United States. And yet he was, to all outside appearances, certifiably crazy. He wandered the streets of Greenwich Village in a ratty bathrobe and slippers. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, Gigante admitted himself to a mental hospital—evading criminal prosecution while maintaining his nefarious operations. It took nearly thirty years of endless psychiatric evaluations by a parade of puzzled doctors for federal authorities to finally bring him down.
