in achieving gender equality but is not the goal in and of itself.

*Gender equality - Wikipedia*  
According to the International Labour Organization, the concept of gender equity refers to “fairness of treatment for women and men, according to their respective needs. This may include equal treatment or treatment that is different but which is considered equivalent in terms of rights, benefits, obligations and opportunities.”

## *MATTERS 1 in 3*

In this week's episode, we'll explore these three big points about gender equity: Gender equity is not just a social issue. It's a massive economic opportunity. Gender equity is not a synonym for women's rights. Women are half the conversation, and men are the other half. You can't close the gender pay gap by starting with pay.

### *AI's Role in Achieving Gender Equity*

Gender equality is still often considered a "women's issue". Furthermore, in the past, gender issues and gender equality policies

# Get Free Gender Equity And The Role Of Women In Cuban Society

have been contextualised mainly as a women's issue. Gender equality, however, is a responsibility of all individuals and it has increasingly been acknowledged that men and boys are also inextricably involved with gender issues and that they have an important role in efforts to achieve equality.

*The Role of Men in Gender Equality | Time for Equality*  
Gender equality means that the different behavior, aspirations, and needs of women and men are considered, valued, and favored equally. It does not mean that women and men have

*Gender equality: GLOSSARY OF  
TERMS AND CONCEPTS*

This year, the UBC Gender Equity & STEM Conference hosted powerhouses from across industries to once again discuss the role of women and other marginalized genders in STEM. While the second conference was originally scheduled for March 2020, it had to be abruptly cancelled in the face of new COVID-19 restrictions.

according to their  
respective needs.

*Gender Equity Vs. Gender  
Equality: What's the  
Distinction?*

Gender equality. Refers to equal chances or opportunities for groups of women and men to access and control social, economic and political resources, including protection under the law (such as health services, education and voting rights). It is also known as equality of opportunity - or formal equality.
