Girl Scouting started in 1912 in Savannah, Georgia, but it was a troop from Muskogee, Oklahoma that came up with the idea of raising money by selling cookies. Their original stomping grounds was the high school cafeteria, and they started their bake sale project in 1917. In 1922, another Girl Scout director helped spread the word even further.

At the vulnerable age of 12, Lara McDonnell was picked out by a gang of men who befriended her, showered her with attention and gained her trust. Manipulated and groomed, her life quickly spiralled out of control as the men trafficked her around the country, deliberately keeping her compliant with drink and drugs. Deeply disturbed, and frightened about what the gang would do to her if she tried to break free, it would take over 4 years for Lara to find the strength to fight back, flee Oxford and escape her nightmare. This is her heartbreaking story.

What can you do when it feels like the world around you is falling apart? When it feels like you ' re losing yourself in the face of grief? When tragedy strikes, and you don ' t know how to pick up the pieces? These are the questions Cadence faces when her boyfriend Emilio is suddenly killed in a car accident. Not knowing how to deal with such loss, she struggles with her faith, finding her place among her friends, and accepting help and support from her mom. Then she meets Emerson, who connects with her in a way no one else has. Instead of giving up, he challenges her to try living her life again. The new way of life he shows her is full of ups and downs, the nervousness of navigating through new relationships, and finding out who she is. Journey with Cadence as she starts to pick up the pieces of her life and answers life ' s most important questions. What are the most important relationships in life? And how do you push through when it feels like everything is falling apart?

During the Victorian era, new laws allowed more witnesses to testify in court cases. At the same time, an emerging cultural emphasis on truth-telling drove the development of new ways of inhibiting perjury. Strikingly original and drawing on a broad array of archival research, Wendie Schneider ' s examination of the Victorian courtroom charts this period of experimentation and how its innovations shaped contemporary trial procedure. Blending legal, social, and colonial history, she shines new light on cross-examination, the most enduring product of this time and the " greatest legal engine ever invented for the discovery of truth. "
