Graham Greene's The Quiet American is, in fact, a masterpiece.Set in Vietnam in the latter half of the 1950s, the short novel offers a treatise on war and foreign, colonial involvement. It also has a love triangle, but this is really secondary to the story since the characters primarily represent symbolic versions of their nations instead of fully developed personas.

Graham Greene’s masterful novel of love and betrayal in World War II London is “undeniably a major work of art” (The New Yorker). Maurice Bendrix, a writer in Clapham during the Blitz, develops an acquaintance with Sarah Miles, the bored, beautiful wife of a dull civil servant named Henry. Maurice claims it’s to divine a character for his novel-in-progress. That’s the first deception. What he really wants is Sarah, and what Sarah needs is a man with passion. So begins a series of reckless trysts doomed by Maurice's increasing romantic demands and Sarah's tortured sense of guilt. Then, after Maurice miraculously survives a bombing, Sarah ends the affair—quickly, absolutely, and without explanation. It’s only when Maurice crosses paths with Sarah’s husband that he discovers the fallout of their duplicity—and it’s more unexpected than Maurice, Henry, or Sarah herself could have imagined. Adapted for film in both 1956 and 1999, Greene’s novel of all that inspires love—and all that poisons it—is “singularly moving and beautiful” (Evelyn Waugh).

A “masterful . . . brilliantly constructed novel” of love and chaos in 1950s Vietnam (Zadie Smith, The Guardian). It’s 1955 and British journalist Thomas Fowler has been in Vietnam for two years covering the insurgency against French colonial rule. But it’s not just a political tangle that’s kept him tethered to the country. There’s also his lover, Phuong, a young Vietnamese woman who clings to Fowler for protection. Then comes Alden Pyle, an idealistic American working in service of the CIA. Devotedly, disastrously patriotic, he believes neither communism nor colonialism is what’s best for Southeast Asia, but rather a “Third Force”: American democracy by any means necessary. His ideas of conquest include Phuong, to whom he promises a sweet life in the states. But as Pyle’s blind moral conviction wreaks havoc upon innocent lives, it’s ultimately his romantic compulsions that will play a role in his own undoing. Although criticized upon publication as anti-American, Graham Greene’s “complex but compelling story of intrigue and counter-intrigue” would, in a few short years, prove prescient in its own condemnation of American interventionism (The New York Times).

“Ranks with Vonnegut’s best and goes one step beyond . . . joyous, soaring fiction.”—The Atlanta Journal and Constitution Broad humor and bitter irony collide in this fictional autobiography of Rabo Karabekian, who, at age seventy-one, wants to be left alone on his Long Island estate with the secret he has locked inside his potato barn. But then a voluptuous young widow badgers Rabo into telling his life story—and Vonnegut in turn tells us the plain, heart-hammering truth about man’s careless fancy to create or destroy what he loves. Praise for Bluebeard “Vonnegut is at his edifying best.”—The Philadelphia Inquirer “The quicksilver mind of Vonnegut is at it again. . . . He displays all his talents—satire, irony, ridicule, slapstick, and even a shaggy dog story of epic proportions.”—The Cincinnati Post “[Kurt Vonnegut is] a voice you can trust to keep poking holes in the social fabric.”—San Francisco Chronicle “It has the qualities of classic Bosch and Slaughterhouse Vonnegut. . . . Bluebeard is uncommonly feisty.”—USA Today “Is Bluebeard good? Yes! . . . This is vintage Vonnegut—good wine from his best grapes.”—The Detroit News “A joyride . . . Vonnegut is more fascinated and puzzled than angered by the human stupidities and contradictions he discerns so keenly. So hop in his rumble seat. As you whiz along, what you observe may provide some new perspectives.”—Kansas City Star

Denis De Beaulieu, a French soldier, is made a prisoner by the Sire of De Maletroit, who believes that the soldier has compromised the Maletroit family honor.

A collection of ten stories, the first written in 1923 and the last in 1988. These will be arranged in chronological order reversed and there will be a short preface by the author. These stories have been previously published in a selection of magazines and newspapers (the two most recently in the 'Independent').
