In *The Constitutional Legacy of Forgotten Presidents*, eminent constitutional scholar Michael Gerhardt tells the stories of thirteen presidents whom most Americans do not remember and scholars think had no constitutional impact, among them Chester Arthur, Martin Van Buren, and William Howard Taft. As Gerhardt shows, our forgotten presidents played crucial roles in laying some of the groundwork followed by Lincoln and other modern presidents, as well as providing examples for future lawmakers of constitutional choices to avoid.

Grover Cleveland was regarded as one of the greatest presidents ever in his day

We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Learn all about George Washington, America's first president. George Washington was one of the greatest leaders the world has ever known. He was never afraid to be the first to try something, from exploring the woods around his childhood home to founding a brand new nation, the United States of America. With his faith in the American people and tremendous bravery, he helped win the Revolutionary War and became the country's first president. Each picture book in this

series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that makes the person a role model for kids. The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. And each book ends with a line of encouragement, a direct quote, photos, a timeline, and a source list.

The author of *Mesmerized* delivers another fascinating glimpse into history, this time the story of two brave suffragists on a trek across America to spread the word: Votes for Women! In April 1916, Nell Richardson and Alice Burke set out from New York City in a little yellow car, embarking on a bumpy, muddy, unmapped journey ten thousand miles long. They took with them a teeny typewriter, a tiny

sewing machine, a wee black kitten, and a message for Americans all across the country: Votes for Women! The women's suffrage movement was in full swing, and Nell and Alice would not let anything keep them from spreading the word about equal voting rights for women. Braving blizzards, deserts, and naysayers--not to mention a whole lot of tires stuck in the mud--the two courageous friends made their way through the cities and towns of America to further their cause. One hundred years after Nell and Alice set off on their trip, Mara Rockliff revives their spirit in a lively and whimsical picture book, with exuberant illustrations by Hadley Hooper bringing their inspiring historical trek to life.
