*Halo Warfleet: An Illustrated Guide to the Spacecraft of ...*

This is a surprisingly large book, which allows a good degree of detail for illustrations. There's some basic untextured 3d rendered pics, but lots of 'proper' illustrations of some of the iconic ships of the UNSC, the Covenant and Forerunner. Nicely printed, and with lots of well written copy from 343 Industries.

A must-have for any Halo fan, this official guide is the most comprehensive book ever written about the video game franchise, created by the game’s developers. This official, comprehensive, authoritative guide to the Halo universe, written in collaboration with 343 Industries, the developers of the "Halo" franchise, marks the first time that a book incorporates the entirety of the "Halo" canon, including the games, books, comics, live-action and animated entertainment, and more. The book also includes over 50 specially commissioned full-color paintings showcasing vehicles, artificial intelligence, weapons, ships, and never-before-seen aspects of Halo environments. The amazing illustrations come from a variety of renowned illustrators, including Jean-Sébastien Rossbach, Leonid Kozienko, Benjamin Carré, Isaac Hannaford, and 343’s internal art team, too. For the first time ever, the timeline of the Halo universe is available in one place, charting humanity’s battles against alien forces of the Covenant, Forerunners, and the Flood—making this book an absolute must-have for Halo fans.

For the first time ever, Halo fans of all ages can join the ranks of the most powerful super-soldiers in the galaxy with this in-world military handbook.
