"Compelling, imaginative, and unique. I couldn't turn the pages fast enough!" — Mary Lindsey, author of Haven Perfection comes at a price. As soon as the government passed legislation allowing humans to be genetically engineered and sold as pets, the rich and powerful rushed to own beautiful girls like Ella. Trained from birth to be graceful, demure, and above all, perfect, these "family companions" enter their masters' homes prepared to live a life of idle luxury. Ella is happy with her new role as playmate for a congressman's bubbly young daughter, but she doesn't expect Penn, the congressman's handsome and rebellious son. He's the only person who sees beyond the perfect exterior to the girl within. Falling for him goes against every rule she knows...and the freedom she finds with him is intoxicating. But when Ella is kidnapped and thrust into the dark underworld lurking beneath her pampered life, she's faced with an unthinkable choice. Because the only thing more dangerous than staying with Penn's family is leaving...and if she's unsuccessful, she'll face a fate far worse than death. For fans of Keira Cass's Selection series and Lauren DeStefano's Chemical Garden series, Perfected by Kate Jarvik Birch is a chilling look at what it means to be human, and a stunning celebration of the power of love to set us free, wrapped in a glamorous—and dangerous—bow. The Perfected series is best enjoyed in order. Reading Order: Book #1 Perfected Book #2 Tarnished Book #3 Unraveled

Miss Wright is a writer. She enjoys her work. Each day she sits at her desk and writes stories with marvelous characters who live exciting lives. But, except for the click-click-click of the keyboard, it is quiet in Miss Wright's office. Too quiet. And too lonely. So Miss Wright decides she needs a pet to keep her company. But finding the perfect pet may not be as easy as it sounds. A mynah bird is too quiet, a cat makes her sleepy, and a hamster running around on its wheel makes Miss Wright dizzy. What's a lonely writer to do? As the happy ending to her story, Miss Wright finds not only the perfect pet but also the perfect helpmate to her work. Judy Young's books with Sleeping Bear Press include the recently released A Book for Black-Eyed Susan and The Hidden Bestiary of Marvelous, Mysterious, and (maybe even) Magical Creatures.

Pig and Cat are pals who like to bike, swim, read, and make art together. One day Pig notices Dog, who has a very interesting kite. Pig and Dog play, and Cat feels neglected and lonely. But Pig and Dog are generous souls after all; and now Pig, Cat and Dog are pals . . . who skateboard and surf! Visually exciting art is executed with crayon and colored pencil on manila paper, in a style that is both sophisticated and childlike. Interesting details in the art add layers of storytelling.

Ana and her friends enter their favorite pets in a show. But not everything goes as planned. This simple story incorporates words from the first grade-level Dolch Sight Word List to build literacy skills.

In this easy-to-read, search-and-find story, Tate draws cats, bugs, and birds--but he never draws Pup! Tate likes to draw. He draws 10 cats on the couch, 10 bugs in the garden, and 10 birds in the park. Pup, who craves attention, is never in Tate's pictures. Pup is very upset, so he runs away to join the circus. Tate misses Pup and draws many, many pictures of the dog to hang all over town. Tate and Pup reunite, and now Tate will always remember to draw Pup. While reading the story, readers can search for cats, bugs, birds, and Pup. A Junior Library Guild selection!

A simple housecat named Simon encounters some bigger cats: Lion, Puma, Panther, Tiger, and Cheetah. Each of the big cats has something to say about Simon not being "cat" enough. According to them, he just doesn't measure up. He doesn't have Lion's mane or Cheetah's spots. He doesn't sleep in trees like Panther or climb mountains like Puma. He's small and fuzzy, not big and strong. But ultimately, Simon shows the big cats that he's just like them . . . only smaller. A celebration of both individuality and community, I Am a Cat is a strong debut that shows we're all more alike than we think . . . if we look closely enough.
