California Algebra 1: Analyze, Connect, Explore was written specifically to support the California Common Core Standards for Mathematics for the Algebra, Geometry, and Algebra 2 pathway. The program focuses on depth of instruction, integrates the Standards for Mathematical Practice into every lesson, places equal emphasis on conceptual understanding and fluency, and offers a coherent articulation across grade levels. The organization emphasizes the Critical Areas of the Common Core Standards and depth of understanding through interactive lessons, research-based instructional approaches, best practices, and differentiated instructional resources to ensure success for all students.
