NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Now available as an ebook for the first time ever in America, the bestselling coming-of-age classic novel by John Irving—the 40th anniversary edition with a new introduction by the author. "He is more than popular. He is a Populist, determined to keep alive the Dickensian tradition that revels in colorful set pieces...and teaches moral lessons."—The New York Times The opening sentence of John Irving's breakout novel The World According to Garp signals the start of sexual violence, which becomes increasingly political. "Garp's mother, Jenny Fields, was arrested in Boston in 1942 for wounding a man in a movie theater." Jenny is an unmarried nurse; she becomes a single mom and a feminist leader, beloved but polarizing. Her son, Garp, is less beloved, but no less polarizing. From the tragicomic tone of its first sentence to its mordantly funny last line—"we are all terminal cases"—The World According to Garp maintains a breakneck pace. The subject of sexual hatred—of intolerance of sexual minorities and differences—runs the gamut of "lunacy and sorrow." Winner of the National Book Award, Garp is a comedy with forebodings of doom. In more than thirty languages, in more than forty countries—with more than ten million copies in print—Garp is the precursor of John Irving's later protest novels.
