Courtney Maum's debut novel I Am Having So Much Fun Here Without You seemed right up my alley: a cross-cultural romantic comedy mixed with one of my favorite unofficial literary sub-genres, the White Male F&ck-up Novel. You see, it's about a British artist (Richard) who cheats on his French lawyer wife (Anne-Laure) with an American journalist (Lisa) during the run-up to the Iraq War... and oh, it's primarily set in Paris.

You might burp much of it out, but some can remain in your stomach and eventually be released at the opposite end when you pass gas. Things that can result in swallowing air include smoking, chewing gum, sucking on hard candy, drinking carbonated drinks, eating or drinking too fast, or wearing loose-fitting dentures.

A romance in reverse is set in Paris and London and follows an artist's attempts to fall back in love with his wife after the end of his affair, an effort that is challenged by the sale of a personal painting and his wife's discovery of his infidelity. A first novel.

In this reverse love story set in Paris and London, which *The Wall Street Journal* hailed as “funny and soulful... immediately appealing,” a failed monogamist attempts to woo his wife back and to answer the question: Is it really possible to fall back in love with your spouse? Despite the success of his first solo show in Paris and the support of his brilliant French wife and young daughter, thirty-four-year-old British artist Richard Haddon is too busy mourning the loss of his American mistress to a famous cutlery designer to appreciate his fortune. But after Richard discovers that a painting he originally made for his wife, Anne—when they were first married and deeply in love—has sold, it shocks him back to reality and he resolves to reinvest wholeheartedly in his family life. just in time for his wife to learn the extent of his affair. Rudderless and remorseful, Richard embarks on a series of misguided attempts to win Anne back while focusing his creative energy on a provocative art piece to prove that he’s still the man she once loved. Skillfully balancing biting wit with a deep emotional undercurrent, this “charming and engrossing portrait of one man’s midlife crisis” (Ella) creates the perfect picture of an imperfect family—and a heartfelt exploration of marriage, love, and fidelity.

The story of the actor who portrayed Mark Cohen in “Rent” covers such topics as his Broadway successes, his grief at the death of the production’s creator, and his struggles with his mother’s life-threatening illness.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new, a senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lupton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy—especially after twelve years. Forbes isn't the same young man. He found his adventure—and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

In Stop Sabotaging Your Life: 3 Steps To Your Full Potential, acclaimed life coach Bruno LoGreco shares his simple path to achieving healthy mental and emotional independence.How many times have you caught yourself thinking something like this?: I'm not enough—good enough...smart enough...good looking enough...successful enough... LoGreco says we sabotage our lives by focusing too much on being what others want us to be and do, and not spending enough time listening to our own hearts and minds. Some people try to find self-acceptance and contentment through counseling, but end up trapped on the therapy treadmill. Others try to go it alone, but still end up in a tiresome process of navel-gazing that never leads to personal fulfillment. LoGreco offers a three-step plan to help you reach your own potential: self-awareness (recognize what you have been doing, and why); rebuilding values (learn a different way to do things); and reach your full potential (identify opportunities and set meaningful goals). You will learn to leverage your strengths to stop chasing illusions and work toward achieving your dreams.LoGreco doesn't claim his book will cure everything that ails you. As he says, "There is no secret formula, no magic pill that will make you happy, productive, and successful. You must challenge your beliefs and take back control of your choices. Don't just think outside the box—break out of it altogether."What clients and readers are saying about life coach, mentor, and motivational speaker Bruno LoGreco:"As a divorced mother of three, I've encountered many obstacles, mostly personal ones within myself. I wondered why I kept repeating the same patterns with the men I was dating and why it always ended badly, usually with me being hurt, and questioned what "I" was doing wrong. Bruno taught me how to love myself again, how to respect myself and above all else, BELIEVE in myself... Bruno saved me from my self-destructive patterns. Without his help, I wouldn't be the confident woman I am today. I am a better mother for that. — Cristina "The world is filled with very successful executives who for decades focus every waking minute on professional accolades and professional development (only to) realize they haven't take the time out to focus on personal development in terms of a better balance in life, being in touch with their spiritual side and inner self, and even the fun side of life. That would describe me in the past. ... I came across Bruno, and I knew he was the man. His personality exudes authenticity and geniality. The man simply knows his stuff, has this uncanny ability to read between the lines, and zero in instantly on underlying triggers. His structured approach steers you to address issues head on, challenges you to challenge yourself, opens your mind, helps you understand behaviors, experiences and patterns; gets you in touch with yourself, fuels a sense of purpose and passion, and escorts you to chart a new course to life. He never judges, but relentlessly encourages and empowers you. He's truly a brilliant, genuine and a humane person with an infectious enthusiasm to make you seize your inborn potential." —Adrian"If I had to sum up my experience with Bruno in one word, it would be 'awakened.' Bruno helped me see life from a different perspective, which is what I needed, but most importantly, he showed me how to do that myself without being dependent on him.... Bruno got me to step outside of my comfort zone and do things I normally wouldn't have done otherwise, which is undoubtedly the key to growth." —Blaine
