The mantra is:

# Online Library If It Hurts It Isn't

If it hurts, it  
isn't love. I  
first came  
across Chuck

Spezzano's work  
in the summer of  
1998. A friend  
of mine gave me  
a book that  
Chuck had self-  
published. It  
was called If It  
Hurts, It Isn't  
Love. The title

true meaning  
behind the  
statement, "If

Love that hurts.

Love in and of  
itself does not  
hurt. It can't.

It's something  
else that hurts.

But more  
importantly,  
just because  
there is an  
aspect of a  
relationship  
that hurts, does  
not mean the
