Immersion Education: International ... - amazon.com

Language immersion is an approach to foreign language instruction in which the usual curricular activities are conducted in a foreign language. This means that the new language is the medium of instruction as well as the object of instruction.

Immersion Education & Bilingualism

During the past quarter century in Canada, French immersion programs have firmly established themselves as viable and successful alternatives to traditional core French courses. Today there are immersion programs in all of Canada's provinces and territories and there are approximately three hundred thousand students enrolled in them.
