In immigration, poor enforcement of our destructive laws is preferable to strict enforcement but liberalization is the best choice of all. Admitting our laws failed, granting an amnesty for law-breakers, and reforming the laws does not doom the Rule of Law in the United States – it strengthens it.

15 Common Arguments against Immigration, Addressed ...

Over the past decade the United States has once again truly become a nation of immigrants. The share of the foreign-born population is approaching the historical high, and if both immigrants and their U.S.-born children are taken into account, the foreign-stock population now constitutes a bigger slice of the U.S. population than at any time since the early years of the 20th century.
