Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades—the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters—her new guardians. She's not stuck-up or boring—no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect?

“The Silence Between Us is eminently un-put-down-able.” (NPR) Schneider Family Book Award, Best Teen Honor Book 2020 “This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read.” (YA and Kids Book Central) #OwnVoices YA novel features Deaf / Hard of Hearing Community “It’s time we see more Deaf characters in books. It’s time we see more books celebrating sign language and Deaf culture,” said author Alison Gervais. Deaf teen Maya moves across the country and must attend a hearing school for the first time. As if that wasn’t hard enough, she also has to adjust to the hearing culture, which she finds frustrating—and also surprising when some classmates, including Beau Watson, take time to learn ASL. As Maya looks past graduation and focuses on her future dreams, nothing, not even an unexpected romance, will not derail her pursuits. But when people in her life—Deaf and hearing alike—ask her to question parts of her Deaf identity, Maya stands proudly, never giving in to the idea that her Deafness is a disadvantage. The Silence Between Us: Features a Deaf protagonist and an #OwnVoices perspective on Deaf and Hard of Hearing culture Is a clean YA romance by Wattpad sensation Alison Gervais Is perfect for fans of Nicola Yoon and CeCe Bell

The highly anticipated and epic conclusion to the Chasing Red duology "Red," Caleb whispered. "Do you know how I felt when you left me?" I looked into his eyes. The emotion I saw in them, the intensity, and the tenderness filled up my throat. "I felt ruined. Because, Red, every time you break me apart, you put me back together. And I always come out better than before." "So," he cupped my face, stroking my cheek with his thumb. "Ruin me." Chasing Red Duology: Chasing Red (Book 1) Always Red (Book 2) Praise for Chasing Red: "Chasing Red is a perfectly sweet romance, with just the right amount of spice."—Foreword Reviews "Readers will be chomping at the bit while waiting for the next installment!"—RT Book Reviews "Readers will swoon over Caleb."—Publishers Weekly

A fun, flirty teen debut from Wattpad phenom Alex Light about a fake relationship and real love. It's been years since seventeen-year-old Becca Hart believed in true love. But when her former best friend teases her for not having had a boyfriend, Becca impulsively pretends she's been secretly seeing someone. Brett Wells has it all. As captain of the football team and one of the most popular guys in his school, he should have no problem finding someone to date, but he's always been more focused on his future than who to bring to prom. When he overhears Becca's lie, Brett decides to step in and be the mystery guy. It's the perfect solution: he gets people off his back for not having a meaningful relationship and she can keep up the ruse that she's got a boyfriend. Acting like the perfect couple isn't easy, though, especially when you barely know the other person. But with Becca still picking up the pieces from when her world was blown apart years ago and Brett just barely holding his together now, they begin to realize they have more in common than they ever could have imagined. When the line between what is pretend and what is real begins to blur, they're forced to answer the question: Is this fake romance the realest thing in either of their lives?

From the outside, Everest has it all, but there's only one person who can see him for who he truly is . . . and it changes his life forever. In this tender, poignant debut novel by newcomer Sky Chase, two teenagers on the cusp of adulthood learn to embrace life in ways neither of them ever anticipated. Everest is the most popular boy in school. He's handsome, wealthy, and captain of the football team—he has the world at his fingertips, but he's desperately unhappy. And when those feelings become too much to bear, he tries to take his own life. On the surface, Beverly's different from Everest in every possible way. She's quiet, shy, hard working, and keeps to herself on campus, focusing on her schoolwork and her part-time job, distracting herself from her less-than-perfect upbringing. When Everest returns to school after his attempt, he's in more pain than ever. Discarded by his friends, he draws little empathy and too much attention from those who surround him. But when Beverly and Everest meet unexpectedly in a dusty corner of the old library, they discover together just how rich life can be when given the freedom to just be yourself.
