Poetry is an artistic, stylistic expression and reflection of the spirit. Wu Tzu's poems transcend the preconceived thinking of worldly people, just like a pure lotus amidst the dusty world, a radiant lighthouse in the stormy sea, and a rainbow across a dark cloudy sky. The style of Wu Tzu's poetry is sometimes soft and gentle as a slow flowing stream, or sometimes vibrant and forceful as a thousand horses racing. Her verses are imbued with graceful and otherworldly qualities. When expressed in the Poet's simple, conversational words, these verses often belie their profound meanings and pure lyrical beauty. With a refreshing choice of words and harmonious rhythms in Her poems, the Poet has created a beautiful, ethereal world, as well as a poetic style that is at once romantic and splendid. Above all, these poems seem to have been created with total spontaneity, and yet their effect is total enchantment.

'When you are determined to do something, now is as good a time as any.' 'Human beings, by nature, tend to take things for granted and think that they would last forever. But life is short and all things are impermanent, so we must treasure the moments where there is peace and when we are with our loved ones.' This book is written by Chinese American author Yu-ing Ching through interviews with Master Cheng Yen, the master's monastic disciples and her foster mother, as well as Tzu Chi's staff, volunteers, and aid recipients. The author engages readers with her thoughtful and intricate writing style, enabling the latter to gain an understanding of Master Cheng Yen's life from childhood to young adulthood, how the sudden passing of her father became an important turning point in her life, and her eventual decision to pursue a monastic life. With her unshakable faith and determination, the Master never wavered in the face of adversity and difficulty. Extending her love for her family to the world, she made a vow to bring relief and aid to the poor and suffering, and to nourish their minds with compassion and wisdom. The book offers some insight into how a great religious leader and philanthropist who is revered by millions worldwide actively works to accomplish her noble mission of 'helping the poor and educating the rich.' At the beginning of each chapter and within sections of each chapter, readers will find inspiring quotes from Master Cheng Yen. These timeless words of wisdom not only serve as food for thought, but also offer invaluable guidance.

the Master's patient, deliberate, and wickedly inventive training of his two boyish but determined devotees as they release themselves to their submissive natures, to the "fear and anticipation" that come with true service. Will Tim step up on the slave block and give himself body and soul to the highest bidder? Will his friend Marc do the same or accept the Master's rare offer of a permanent -- if painful -- position in his home? A legend in gay porn, Preston drew on his extensive knowledge of the S/M scene of the '80s to create this hot, savage, and psychologically penetrating portrayal of S/M power exchange between men.
