Katherine Frank's solidly researched narrative is particularly good on the early years of Indira Gandhi (1917-84), cogently delineating her complex relationship with her father, nationalist hero Jawaharlal Nehru, which was intimate when they were pouring out their feelings in letters, but strained when they were actually together.

Indira: The Life of Indira Nehru Gandhi: Frank, Katherine ...

On the morning of October 31, 1984, as she walked through her garden, smiling, with hands raised and palms pressed together in the traditional Indian namaste greeting, Indira Nehru Gandhi was assassinated by her own bodyguards. She died as she had lived, surrounded by men, yet isolated. It was a violent end to a life of epic drama.

The definitive and first non-partisan biography of one of the most formidable political figures of the twentieth century (voted Woman of the Millennium in a BBC poll, 2000)

Indira Gandhi's life, from her birth in 1917 through partition and up to her assassination in 1984, was dominated by the politics of her country. Always directly involved in India's turbulent 20th-century history, once she accepted the mantle of power, she became one of the world's most powerful and significant women. This biography focuses on Gandhi's role as a female leader of men in one of the most chauvinistic, complex and politicized cultures in the world.

Indira Gandhi's life was part of the unfolding history of India, intricately woven with India's past and future. It became inevitable, therefore, that politics formed a backdrop to her public and often private actions. Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira Gandhi—her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, *Indira Gandhi: A Biography* paints a magnificent portrait—at once empathetic and unprejudiced—of one of the twentieth century's most remarkable women.

From an acclaimed economist and politician, a unique, never-before-seen look at the life of one of India's most well-known prime ministers—Indira Gandhi—and her work to protect the environment and champion the preservation of nature and the climate. Indira Gandhi, prime minister of India for sixteen years, was as charismatic as she was controversial—both admired and criticized for her political judgments and actions. Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public calling; how her views on the environment remained steadfast even as her political and economic stances evolved; how her friendships with conservationists led to far-reaching decisions to preserve India's biodiversity; how she urged, cajoled and persuaded her colleagues in making significant decisions regarding forests and wildlife; and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, *Indira Gandhi: A Life in Nature* is both a lively, engaging narrative about the little-known parts of Indira Gandhi's life, and also sheds important light on climate change and

sustaining the environment—today ' s most pressing global issues.

The first major biography of Indira Gandhi covers the breadth and scope of 20th-century India and the woman who left her indelible mark on that troubled country. Both widely supported and bitterly opposed, she was eventually removed from office, only to make a stunning comeback.

Reminiscences of the author, special assistant, 1946 to 1959, to Jawaharlal Nehru, 1889-1964, former Prime Minister of India.

Judith Brown explores Nehru as a figure of power and provides an assessment of his leadership at the head of a newly independent India with no tradition of democratic politics.

This is the first definitive biography of arguably India ' s most influential and powerful civil servant: P.N. Haksar, Indira Gandhi ' s alter ego during her period of glory. Educated in the sciences and trained in law, Haksar was a diplomat by profession and a communist-turned-democratic socialist by conviction. He had known Indira Gandhi from their student days in London in the late-1930s, even though family links predated this friendship. They kept in touch, and in May 1967, she plucked him out of his diplomatic career and appointed him secretary in the prime minister ' s Secretariat. This is when he emerged as her ideological beacon and moral compass, playing a pivotal role in her much-heralded achievements including the nationalization of banks, abolition of privy purses and princely privileges, the Indo-Soviet Treaty, the creation of Bangladesh, rapprochement with Sheikh Abdullah, the Simla and New Delhi Agreements with Pakistan, the emergence of the country as an agricultural, space and nuclear power and, later, the integration of Sikkim with India. This power and influence notwithstanding, Haksar chose to walk away from Indira Gandhi in January 1973. She, however, persuaded him to soon return, first as her special envoy and later as deputy chairman of the Planning Commission where he left his distinctive imprint. Exiting government once and for all in May 1977, he then continued to be associated with a number of academic institutions and became the patron for various national causes like protecting India ' s secular traditions, propagating of a scientific temper, strengthening the public sector and deepening technological self-reliance. Successive prime ministers sought his counsel and in May 1987, he initiated the reconstruction of India ' s relations with China. He remained an unrepentant Marxist and one of India ' s most respected elder statesman and leading public figures till his death in November 1998. Drawing on Haksar ' s extensive archives of official papers, memos, notes and letters, Jairam Ramesh presents a compelling chronicle of the life and times of a truly remarkable personality who decisively shaped the nation ' s political and economic history in the 1960s and 1970s that continues to have relevance for today ' s India as well. Written in Ramesh ' s inimitable style, this work of formidable scholarship brings to life a man who is fast becoming a victim of collective amnesia.
