Me? A leader? Okay, I did prove that there's more to Inside than we knew. That a whole world exists beyond this cube we live in. And finding that led to a major rebellion—between worker scrubs like me and the snobby uppers who rule our world. Make that ruled. Because of me, we're free. I thought that meant I was off the hook, and could go off on my own again—while still touching base with Riley, of course. He's the one upper I think I can trust. But then we learned that there's outside and then there is Outside. And something from Outside wants In.

From New York Times Bestselling Author Maria V. Snyder Choose: a quick death... or slow poison... Locked deep in the palace dungeon for killing her abuser, Yelena knows she 'll never be free again. The laws in Ixia are strict, and murderers must be executed, no matter the reason. But just as she 's resigned herself to her fate, she 's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace—and risk assassination by anyone trying to kill the Commander of Ixia. To make matters worse, the chief of security deliberately feeds her Butterfly 's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can 't control. Her life is threatened again, and in order to survive, she must unravel the secrets behind the past she 's been running from. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

From New York Times Bestselling Author Maria V. Snyder The apprenticeship is over—now the real test has begun. When word that Yelena is a Soulfinder—able to capture and release souls—spreads like wildfire, she faces mistrust and fear in Sitia. What 's

more, she keeps discovering new, unusual sides of her abilities. As the Council debates Yelena's fate, she receives a disturbing message: a plot is rising against her homeland, led by a murderous sorcerer she has defeated before... The road to Ixia is fraught with peril, and sets Yelena on a path that will test the limits of her skills. But the hope of reuniting with her beloved spurs her onward. Along the way, she'll encounter allies, enemies, lovers and would-be assassins, each of questionable loyalty, and be forced to confront an impossible choice as whispers of war emerge. Yelena will have but one chance to prove herself—and save the lands she holds dear. Previously published. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Join the fabulous life of the INSIDERS! And read more about about the lives and loves of these fabulous Manhattan boys in the INSIDERS novels: PASS IT ON and BREAK EVERY RULE. A captivating scandalous look into the privileged and turbulent world of five cool guys living in Manhattan's trendiest neighborhoods. Jonathan is the leader of the pack - but what will happen if the pack falls apart? Arno's way with the girls makes you wonder, "Can boys be sluts?" David is known as the nice guy, but will he stay that way? Mickey is always in trouble - Romeo never fell off a roof impressing Juliet, did he? And Patch is just Missing in Action. They've got rich parents, go to top schools, and are best friends. With so many parties to go to, colleges to impress, girls to win over, and so much money to be spent, who can keep track of it all? And can real friendship shine through in the end? J. Minter's keen eye for urban teens, their dialogue, and the details of New York City's high life make this a guilty pleasure for readers of the Gossip Girl series and other glitterati novels. Reviews "Designed to resemble a Gossip Girl entry, this enticingly trashy entrant into the yearly teen beach read sweepstakes attempts to do for lower Manhattan what the Cecily von Ziegesar books have done for the Upper East Side." Publishers Weekly About the Author J. Minter is the writer and former columnist for Seventeen magazine. He lives in New York City.

"This Bright Light of Ours combines a memoir with oral history to create a very vivid portrait of the Freedom Summer of 1965 in Wilcox County, Alabama, when volunteers and long-standing local black leaders were shaking the cultural norms, registering thousands of new voters. This book documents the first-person experience of Maria Gitin, an idealistic 18-year-old college freshman from San Francisco who felt called to action when she viewed televised images of the brutal treatment of peaceful demonstrators during what became known as Bloody Sunday in Selma, Alabama"--

High-security organizations around the world face devastating threats from insiders—trusted employees with access to sensitive information, facilities, and materials. From Edward Snowden to the Fort Hood shooter to the theft of nuclear materials, the threat from insiders is on the front page and at the top of the policy agenda. Insider Threats offers detailed case studies of insider disasters across a range of different types of institutions, from biological research laboratories, to nuclear power plants, to the U.S. Army. Matthew Bunn and Scott D. Sagan outline cognitive and organizational biases that lead organizations to downplay the insider threat, and they synthesize "worst practices" from these past mistakes, offering lessons that will be valuable for any organization with high security and a lot to lose. Insider threats pose dangers to anyone who handles information that is secret or proprietary, material that is highly valuable or hazardous, people who must be protected, or facilities that might be sabotaged. This is the first book to offer in-depth case studies across a range of industries and contexts, allowing entities such as nuclear facilities and casinos to learn from each other. It also offers an unprecedented analysis of terrorist thinking about using insiders to get fissile material or sabotage nuclear facilities.

Twelve shocking paintings. Eleven famous murders. One missing artist . . . and one woman driven to find her—this Reese's Book Club x Hello Sunshine Selection is a "stunning achievement" (Los Angeles Times). Kim Lord is an avant-garde figure, feminist icon, and agent provocateur in the L.A. art scene. Her groundbreaking new exhibition Still Lives is comprised of self-portraits depicting herself as famous, murdered women—the Black Dahlia, Chandra Levy, Nicole Brown Simpson, among many others—and the works are as compelling as they are disturbing, implicating a culture that is too accustomed to violence against women. As the city's richest art patrons pour into the Rocque Museum's opening night, all the staff, including editor Maggie Richter, hope the event will be enough to save the historic institution's flailing finances. Except Kim Lord never shows up to her own gala. Fear mounts as the hours and days drag on and Lord remains missing. Suspicion falls on the up-and-coming gallerist Greg Shaw Ferguson, who happens to be Maggie's ex. A rogue's gallery of eccentric art world figures could also have motive for the act, and as Maggie gets drawn into her own investigation of Lord's disappearance, she'll come to suspect all of those closest to her. Set against a culture that often fetishizes violence, Still Lives is a page-turning exodus into the art world's hall of mirrors, and one woman's journey into the belly of an industry flooded with money and secrets. "It's a thrilling mystery that will leave you wondering which characters you can and can't trust . . . There's a twist at the end that still keeps us up at night, it's THAT good." —Reese Witherspoon (A Reese's Book Club x Hello Sunshine Selection)

Beyond Ixia, the roots of magic run deep... After the discovery of her magical abilities leads to an execution order, Yelena has no choice but to flee to Sitia, her long-lost birthplace. There, she has the chance to meet the family she never knew. But Sitia is unfamiliar, and she's treated with suspicion and even hatred by the people she thought she could trust—including her own brother. Then Yelena is given the chance to travel to Sitia's capital. In the Citadel, she'll have the chance to hone her magical abilities under the tutelage of master magicians. As she learns the laws of magic—Yelena also discovers those who will do anything to break them. And when a rogue magician who targets young female victims emerges, Yelena must put her life at risk to stop him. Will her newfound magic save Yelena—or will it be her downfall? Previously published. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Dive into the compelling mystical world of the Healer series by New York Times bestselling author Maria V. Snyder. Laying hands upon the injured and dying, Avry of Kazan absorbs their wounds and diseases into herself. But rather than being honored for her skills, she is hunted. Healers like Avry are accused of spreading the plague that has decimated the Fifteen Realms, leaving the survivors in a state of chaos. Stressed and tired from hiding, Avry is abducted by a band of rogues who, shockingly, value her gift above the golden bounty offered for her capture. Their leader, an enigmatic captor-protector with powers of his own, is unequivocal in his demands: Avry must heal a plague-stricken prince—leader of a campaign against her people. As they traverse the daunting Nine Mountains, beset by mercenaries and magical dangers, Avry must decide who is worth healing and what is worth dying for. Because the price of peace may well be her life... Originally published in 2010

All in one Resource for Internet marketers: This is the only book where internet marketers in myriad fields and industries can acquire access to an itemized and categorized listing of tools to fuel online business. The Little Black Book of Online Business includes a 65 page directory of the best, proven resources to help you explode your Internet business.
