International Editions

Textbooks

International edition

textbooks are books that

are published by the

international

counterparts of

educational publishers.

Educational publishers

have a global reach and

thus publish their books

in the United States and

Access Free International

editions all over the world. Most often they do this to cut down on their own costs of printing and shipping.

What To Know About International Edition Textbooks ...

Consider international editions - textbooks that have been published outside the US. These books are usually significantly cheaper

Access Free International

than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different regions and are often printed on cheaper paper and are usually softcover.
