This procedure matches duct system resistance (pressure drop) to blower performance (as defined by manufacture's blower performance tables). This assures that appropriate airflow is delivered to all rooms and spaces; and that system airflow is compatible with the operating range of primary equipment. The capabilities and sensitivities of this procedure are compatible with single-zone systems, and multi-zone (air zoned) systems. The primary equipment can have a multi-speed blower (PSC motor), or a variable-speed blower (ECM or constant torque motor,

By subjecting Nietzsche to a Platonic critique, author William H. F. Altman punctures his "pose of untimeliness" while making use of Nietzsche's own aphoristic style of presentation. Friedrich Wilhelm Nietzsche—named for a Prussian King—is thereby revealed to be the representative philosopher of the Second Reich.

"Pardon my French, but you are one darn major American writer!"-Richard Bach The twelve literary, suspense tales and dark vignettes collected in Sandcastle and Other Stories are nothing short of an adventure through a roiling sea of emotion. You'll listen as an old man twisted by fate and a lost love shares his life's journey . . . marvel at a young girl playing on the ocean shore as she

The genuine voices of the characters, mixed with a clear-eyed tonal directness, make this a series with mesmerizing psychological interaction. Sandcastle and Other Stories spans a broad

Back in the States, Hollywood B-movie star Syms Thorley lives in a very different world, starring as the Frankenstein-like Corpuscula and Kha-Ton-Ra, the living mummy. secret Knickerbocker Project is putting the finishing touches on the ultimate biological weapon: a breed of gigantic, fire-breathing, mutant iguanas engineered to stomp and burn cities on the Japanese mainland. The Navy calls upon Thorley to don a rubber suit and become the merciless Gorgantis and to star in a live drama that simulates the destruction of a miniature Japanese metropolis. If the demonstration succeeds, the Japanese will surrender, and many thousands of lives will be spared; if it fails, the horrible mutant lizards will be unleashed.
