Chapter 1 Introduction 1.1 An Overview The book covers two broad topics • Mathematics of Statistics • Practice of statistics Mathematics of Statistics refers to the probability that supports and justifies the various method used

An Introduction to Mathematical Statistics and Its ...
I am currently a graduate student in Statistics at Miami University of Ohio. For my first and second mathematical statistics courses, we are using this text. This is a really great book. It is fairly short, and each section is on average only 2-3 pages, but those 2-3 pages are absolutely packed with good stuff.
