It's MY Body has been written in order to help adults and preschool children talk about sexual abuse together in a way which minimizes embarrassment and fear, but emphasizes self-reliance and open communication. You will not find specific references and stories about sexual abuse in this book.

It's My Body: A Book to Teach Young Children How to Resist ...

So for me as a single parent the best gift I can give my child is a book just like this one, to teach her that her body is special and it belongs to her. A short and simply worded book for children as young as 3 to under The one fear most parents experience is the fear of their child being molested.

It's MY Body: A Book to Teach Young Children How to Resist ...

"It's MY Body," written when her children were young, was one of the first children's books to cover sexual abuse. Now a director of a respite nursery, Dr. Britain is also the author of "Loving Touches," which discusses positive touching and respect for others' bodies, and the new "My Grandma Died," which explains death and the grieving process to very young children.

It's My Body: A Book to Teach Young Children How to Resist ...

'My Body Your Body', is a book about human and animal bodies, beautifully written and illustrated by Mick Manning and Brita Granstrom. In making comparisons between human and animal senses, children are helped in understanding that although we have similar senses to animals, our own senses have developed in different ways.

My Body, Your Body: A book about human and animal bodies ...

Along the way Bryson takes us on a tour of the body, starting with 'the outside' (skin and hair) and working through all the main parts, the vast numbers of microbes that share our body, body functions - such as movement, eating and sleep - and diseases, finishing with a whole chapter on cancer and another on the way that medicine has developed from doing more harm than good to its present state. This is the perfect book for anyone (like me) who had little to do with biology at school and to ...

The Body: A Guide for Occupants: Amazon.co.uk: Bill Bryson ...

This is a tour of the human body, but it includes stories and asides about people associated with the discovery of various diseases or a cure or a system in the body. Some books on this topic can get a bit carried away with long names for parts that involve endless Latin or Greek. A nice thing he does here when he does give these is to say what th

The Body: A Guide for Occupants by Bill Bryson

Full of extraordinary facts and astonishing stories The Body: A Guide for Occupants is a brilliant, often very funny attempt to understand the miracle of our physical and neurological make up. A wonderful successor to A Short History of Nearly Everything , this book will have you marvelling at the form you occupy, and celebrating the genius of your existence, time and time again.

The Body by Bill Bryson | Waterstones

It's my body. [Lory Freeman; Carol Deach] -- Provides a basis for discussing child sexual abuse with preschoolers by encouraging an aggressive stance by children for control of their own bodies and feelings.
