Jimna 224 Ty 290 Timing - static-atcloud.com

some Jinma owners say they've found timing marks on the flywheel, some have found them on the crankshaft pulley, some have found them both places. There's a small inspection port at the forward edge of the bellhousing. That's where my timing marks can be found. I've never bothered looking for them on the crank pulley. But most that found them there, said they had to remove the radiator for a ...
