This book traces the history of the biblical idea of the Kingdom of God and suggests its contemporary relevance. “To grasp what is meant by the Kingdom of God is to come very close to the heart of the Bible’s gospel of salvation.”—from the Preface

The definitive guide to the history of ancient Israel. The History of Ancient Israel covers the epic story of Jewish civilisation from its beginnings to the destruction of Jerusalem, and the Temple in AD 70. It deals with Israel's relations with the great empires which shaped its development and with the changing internal structure of the Jewish state, drawing both on excavation and the Hebrew Bible.
