This established and popular text is regarded as one of the clearest and most comprehensive in its field. David Eadson has joined Jon Curwin and Roger Slater in the author team, and together they have sought to offer a more compact book with all the qualities of the previous six editions, whilst strengthening the links to online support materials.

Quantitative Methods for Business Decisions: Jon Curwin ...

Reverend John Curwen (1816 – 1880) was an English Congregationalist minister and diffuser of the Tonic sol-fa system of music education created by Sarah Ann Glover. He was educated at Wyndley College in Hertfordshire, then Coward College as that institution became known when it moved to London, and finally University College London.

John Curwen - Wikipedia

Jon is particularly interested in the possibilities of using digital storytelling and e-portfolio as part of a more holistic approach to learning and teaching. He continues to work on ways that skills can be developed and evidenced. Jon is the module leader for the postgraduate module, Research Practice.
