Haynes disassembles every subject vehicle and documents every step with thorough instructions and clear photos. Haynes repair manuals are used by the pros, but written for the do-it-yourselfer.

Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Kawasaki Z750 & Z1000, model years 2003 through 2008. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box. A typical Haynes manual covers: general information; troubleshooting; lubrication and routine maintenance; engine top end; engine lower end; primary drive, clutch and external shift mechanism; transmission and internal shift mechanism; engine management system; electrical system; wheels, tires and drivebelt; front suspension and steering; rear suspension; brakes; body, and color wiring diagrams. An index makes the manual easy to navigate.

This is one of a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

It was supposed to be a one night stand... one hot, sweaty, toe-curlingly good night. Meet Mr. Tall, Dark and Handsome at a bar, and take him home. Check and check. But I'd never been taken like that, possessed like that... ever.The next morning, he's gone. And I have the real world to get back to. Not the fantasy he made come true. I put on my tallest heels, and get ready to meet my brand new boss.Only, it's him. Mr. Sexy Smile from last night is Smith Calloway. I'm assigned to be his personal executive assistant... and also to dig into his company's financial records working as an undercover journalist. And Smith hasn't exactly forgotten last night... Every glance is heated, and the tension thickens every time I walk into his office.Late nights, long hours, and the two of us forced into close confines... That same amazingly hot, scream-my-name sex is calling to both of us. We're so close to ripping each others' clothes off, with only the what-ifs holding us back. Will we both cave? Or will we covet one another forever?Covet is a raunchy, sweaty, good time at approximately 53,000 words. There is no cheating, no cliffhangers, and HEA guaranteed!
