Key Cases Eu Law - s2.kora.com

EU law is absolutely supreme even over provisions of national constitutions. In the case of Internationale Handelsgesellschaft mBH , the conflict was not about Treaty provision nor domestic statute, but between an European Community regulation and provisions of the German constitution. The claimant here argued that the regulation infringed, inter alia, the principle of proportionality enshrined in the German constitution and sought to nullify regulations on those grounds.

Building on its unrivalled reputation as the definitive EU law textbook, this seventh edition continues to provide clear and insightful analysis of all aspects of European Union law. Drawing on their wealth of experience, Paul Craig and Gráinne de Búrca succeed in bringing together a unique mix of illuminating commentary and well-chosen extracts from a wide range of cases, legislation, and academic publications. Chapters have been carefully structured and designed to enhance student learning at all levels, laying the foundations of the subject while building analysis of more complex areas and cutting-edge debates. The seventh edition has been comprehensively updated to reflect the extensive legal developments that have taken place since publication of the sixth edition, and a new chapter on current challenges facing the EU has been added.

Cases and Materials on EU Law is a highly respected EU law text and the only cases and materials book in the field. With his clear, engaging writing style, Stephen Weatherill presents the main constitutional and substantive areas of EU law alongside the themes and principles that have shaped the development of the EU and its policies. The 12th edition provides a wealth of carefully selected case law alongside engaging extracts and materials to help explain the complexities of EU law in a contextualized and thought-provoking manner. Insightful author notes and questions accompany each extract, providing valuable additional detail to challenge understanding and encourage students to engage critically with the material. This title is accompanied by an Online Resource Centre, providing students with extra learning materials including: - an interactive map of Europe - a timeline of the EU - video footage - a guide to further web resources - a table of equivalences - legal updates - guidance for lecturers on using the book when teaching.
