“Kids are important... They need safe places to live, and safe places to play.” For some kids, this means living with foster parents. In simple words and full-color illustrations, this book explains why some kids move to foster homes, what foster parents do, and ways kids might feel during foster care. Children often believe that they are in foster care because they are “bad.”

Kids Need to Be Safe: A Book for Children in Foster Care ...

Kids Need to Be Safe is a nonfiction picture book written by Julie Nelson and illustrated by Mary Gallagher. This book explains that children need to be safe and that children’s homes need to be safe. If a child’s home is not safe, the children can go live with family members, such as grandparents or in foster homes run by the state.

Keeping children safe | NSPCC

The Importance of Safety Keeping Children Safe. While risk assessments are no longer a requirement of the EYFS, we must all take children’s safety very seriously whether we are in the house, garden or on outings. It is generally advised that all childminders have a set of risk assessments to cover – Inside the house; Garden / outside spaces

The Importance of Safety - Keeping Children Safe ...

Hold on: when you’re in a crowded place, hold hands or keep children in a buggy, or use reins. Don’t walk ahead of a toddler – it only takes a moment for them to wander off. Start young: you can begin teaching children about safety when they’re as young as two or three. Tell them clearly they mustn’t go off with anyone, not even someone they know, without first asking you or the adult looking after them.
