Labor Relations in Public Sector. Collective bargaining in the public sector organizations will be quite different from that of the private sector organizations. The factors that drive the collective bargaining process in the private sector might not be present in the public sector. Private sector organizations are more concerned on the profit maximization philosophy whereas the public sector firms are more focused on serving general public therefore their priorities would be totally ...

The Law And Practice Of Public Employment Labor Relations PDF

Labour or Industrial Relations. The term labour relations, also known as industrial relations, refers to the system in which employers, workers and their representatives and, directly or indirectly, the government interact to set the ground rules for the governance of work relationships. It also describes a field of study dedicated to examining such relationships.
