EXCERPT FROM LAND OF THE SPOTTED EAGLE (1933, by
Luther Standing Bear) For many Americans in the early
twentieth century, the problems of Native Americans too
often seemed distant concerns. A hereditary chief of the
Dakotas, and one of the first students to attend the Carlisle
Indian School in Pennsylvania, Luther Standing Bear (born
Ota Kte) was an advocate for reform in the United States
government's often neglectful policies toward Native
Americans.

If his visit did not serve as a catalyst for the writing of his third book, Land of the Spotted Eagle, it undoubtedly confirmed and strengthened previously formed opinions about the impact of federal Indian policies and convinced him of the need to educate the American people about the strengths of traditional Sioux culture. While he wrote about the Teton Sioux, his people, he also offered more general comments about the importance of native cultures and values and the status of Indian ...
