Late Night Tales and its predecessor Another Late Night are the names of two related series of artist curated compilation albums released under the Azuli Records in the UK until 2009 when the independent record label Night Time Stories took over the series. Both series were started by the author A.W. Wilde. The tracks on the albums are selected and mixed by a diverse selection of artists asked by Late Night Tales to create the ultimate late night mix. Many of the albums end with a story track, r
