Michael Gove is one of the most recognisable faces in British politics – and one of the most divisive. Whether it's taking on the education "blob", acting as a frontman for the Brexit campaign or orchestrating one of the bloodiest political assassinations in the history of British politics, Gove is a man who makes things happen. But it was almost so different, and his story, from being born into care to standing for the leadership of the Conservative Party, could have come straight from the pages of a Charles Dickens novel. A charming man to his friends, and a cold-blooded zealot to his enemies, Gove

provokes a reaction from everyone, be it loyalty, anger, respect or fury. Love him or hate him, it's impossible to deny Gove's impact on the UK over the past ten years, and, with Brexit still up in the air, he will continue to play a key role in the future of the country. Political journalist Owen Bennett's groundbreaking biography takes in original research as well as interviews with current and former Cabinet ministers, ex-colleagues from the BBC and The Times, and numerous other key players in Gove's life story. Lively and insightful in equal measure, *Michael Gove: A Man in a Hurry* reveals what turned the adopted son of an Aberdeen fishing family into one of the key political figures of the decade.

This text provides a clear overview and assessment of the educational policy systems at work in the UK. Accessibly written and covering pre-school and Higher Education policy-making as well as Primary and Secondary, the author examines the evolution of education policy from the Education Act of '44 to the academies of today.

The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's blockbuster movie which was nominated for six academy awards, including best picture. From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.

Exam Board: Edexcel Level: GCSE Subject: Business First Teaching: September 2017 First Exam: June 2019 Endorsed for Edexcel Let Ian Marcouse successfully steer you through the new specification with his proven and popular approach to Business; clear content coverage is enhanced by numerous real-life examples to create a course that engages, motivates and develops every student. - Breaks down the content of the 2017 specification into clear, accessible explanations of important concepts and theories - Helps students apply their knowledge to a range of real business examples, issues and contexts, supported by 'Talking Points' that encourage critical and commercial thinking - Improves quantitative, investigative, analytical and evaluation skills through end-of-chapter exercises - Builds students' confidence approaching their exams as they practise calculation, short answer and extended-writing questions with stimulus materials - Boosts students' vocabulary and supports revision with definitions of key terminology for each topic

This textbook is endorsed by OCR and supports the specification for GCSE Classical Civilisation (first teaching September 2017). It covers the Thematic Study Component 11 and all three Literature and Culture options (Components 21-23): Thematic Study: Myth and Religion by Ben Greenley Literature and Culture 1: The Homeric World by Dan Menashe Literature and Culture 2: Roman City Life by James Renshaw Literature and Culture 3: War and Warfare by James Renshaw Why does Greek and Roman mythology remain so popular today? Why is the hero Odysseus such an interesting character? What was it like to watch a gladiatorial fight? Why was the Roman army so successful? This book guides GCSE students to a greater understanding of such issues. The opening chapter examines the lives of women in Greece and Rome, and also focuses on women in myth and legend. The following three chapters invite readers to explore the culture of the Mycenaeans, city life in the Roman world, and ancient Greek and Roman warfare, focusing both on aspects of ancient society and on related literature. The ideal preparation for the final examinations, all content is presented by experts and experienced

teachers in a clear and accessible narrative. Ancient literary and visual sources are described and analysed, with supporting images and examples of non-prescribed sources. Helpful student features include study questions, activities, further reading, and boxes focusing in on key people, events and terms. Practice questions and exam guidance prepare students for assessment. A Companion Website is available at www.bloomsbury.com/class-civ-gcse.

Exam Board: AQA Level: GCSE 9-1 Subject: Biology First Teaching: September 2016, First Exams: June 2018 This Collins AQA Biology GCSE 9-1 Workbook contains topic-based questions as well as a full practice paper and answers.
