men is unsurpassed. In *A Passion to Lead*, he shares the fundamental principles that have allowed him to have an impact on so many. When he took command of the Connecticut Huskies, the team had had a losing record for five straight seasons. In twenty-one years of leadership, Calhoun has transformed a middling regional program into a national powerhouse with two NCAA championships. But what makes Coach Calhoun such an excellent leader? How did he take a program with a modest tradition and turn it into a national champ and perennial title contender? What is his management style? What are his motivational techniques? Calhoun reveals them here and includes anecdotes about his life as a coach, family man, and, ultimately, a teacher--as well as the following key principles: *Win Every Day: Talent determines what you can do in life. Motivation determines what you decide to do. Attitude determines how well you do it. *Standards, Then Victories: To build a winning organization, establish a culture of winning and make everyone accountable. Out of high standards come victories. *Tough Love: Pushing is only half the equation. Individuals perform best when they feel good about themselves. *And much more. *A Passion to Lead* is for all those who are serious about making their dreams a reality. It's a motivational tool for achieving success both at work and in life, and it can help turn any adversity into an advantage.

A recent trend in personal development is life coaching: it's somewhere between having a personal trainer and a therapist, someone to check up on you and make sure you are doing what you need to do to achieve your personal and professional goals. Life coaches focus on the future not the past, they look at obstacles to success and fulfilment not to open them up for introspection but to overcome them and achieve goals.

The Wall Street Professional's Survival Guide: The Secrets of a Career Coach is the only complete, up-to-date, and practical guide for financial industry professionals seeking new or better jobs in today's brutally competitive environment. Author Roy Cohen spent more than 10 years providing outplacement services to Goldman Sachs' employees. In this book, he shares finance-specific job-hunting insights you simply won't find anywhere else. Drawing on his immense experience helping financial industry professionals find and keep outstanding positions, Cohen tells you what to do when and if you're fired (or ready to move), how to develop a "game plan" and search targets, how to build your "story", how to move from the sell-side to the buy side, and much more. You'll find industry-specific guidance on interview strategy, resumes, follow-up, references, and even negotiation with real examples drawn from Cohen's own practice.
