Before reviewing the questions you're likely to be asked, write down all your hard skills (e.g., web design, accounting, typing) and soft skills (e.g., problem-solving, creativity, communication). Of that list, select up to five that you can confidently discuss in detail and apply to the specific role.

Interview Questions About Skills and Experience

Life Skills tests have two main parts. In the first part of the test, you will be expected to ask and answer questions on familiar topics. The second part of the test is a combined Listening and Speaking task. What will you have to do? All Life Skills test takers will be asked to complete a task played on a CD. When you complete the task, you'll be assessed on your ability to listen for both the general meaning and detail. You will say your answers, although you can make notes on paper ...
