We're talking a team of servants, a new set of fancy threads, and plenty of bling to impress the rich heiress. The problem is, B...

The Merchant of Venice Analysis  
For Harold Bloom, in a persuasive analysis of The Merchant of Venice in his book Shakespeare: The Invention Of The Human, The Merchant of Venice presents a number of difficult problems. First, there's no denying it is an anti-Semitic play; second, for Bloom, Shylock should be played as a comic villain and not a sympathetic character for the play to have 'coherence' and make full sense; third, to play Shylock this way would no doubt exacerbate the play's anti-Semitic properties.

Literary Devices In The Merchant Of Venice Owl Eyes  
Literary Devices Used In Merchant Of Venice. tragedies, while others are more ambiguous. The Merchant of Venice is a play that falls under the latter type, and it has been hotly contested whether this literary work should be classified a comedy or a tragedy. However, since the majority of the characters received a happy ending, the abundance of comic relief scenes and characters, and lightheartedness of the plot relative to other Shakespearean works leads me to conclude that The Merchant of ...

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. Other features that help you figure out this important work include Life and background of the author Analyses of the characters A brief synopsis of the play A review section that tests your knowledge A selected bibliography that leads you to more great resources Classic literature or modern-day treasure – you'll understand it all with expert information and insight from CliffsNotes study guides.

Offers source documents and analysis to provide a historical context for understanding the major themes of Shakespeare's most controversial play.

"Rabkin selects The Merchant of Venice, Henry V, Antony and Cleopatra, Julius Caesar, Richard III, Macbeth, Coriolanus, The Winter's Tale, and The Tempest as the plays on which to build his argument, and he teaches us a great deal about these plays. . . . To convince the unbelievingthat that the plays do mean, but that the meaning is coterminous with the experience of the plays themselves, Rabkin finds a strategy more subtle than thesis and rational argument, a strategy designed to make us see for ourselves why thematic descriptions are inadequate, see for ourselves tath the plays mean more than and statement about them can ever suggest." -Barbara A. Mowat, Auburn University "Norman Rabkin's new book is a very different kind of good book. Elegantly spare, sharp, undogmatic. . . . The relationship between the perception of unity and the perception of artistic achievement is a basic conundrum, and it is one that Mr. Rabkin has courageously placed at the center of his discussion." -G. K. Hunter, Sewanee Review "Rabkin's book is brilliant, taut, concise, beautifully argued, and sensitively responsive to the individuality of particular Shakespeare plays." -Anne Barton, New York Review of Books

Bringing Shakespeare to the Sunshine State, this book gathers together a talented group of teachers, choreographers, directors, set designers, musicians, costumers, actors, and artists to discuss how they have adapted the bard's monologues in Miami, assassinated Julius Caesar on the steps of Tallahassee's Capitol, trained students to duel in Florida's Panhandle, placed Shylock on trial in Orlando, and transformed Gainesville into Puck's magical forest. This guide for teachers and lovers of literature and theater is an original collection of essays exploring the idea that Shakespeare's plays are best approached playfully through performance. Based on their wide-ranging experience as theater professionals and teachers in Florida, New York, London, and Stratford, the authors celebrate Shakespeare's continuing appeal to our complex, diverse culture. The essays include reflections on acting by the Royal Shakespeare Company's longest-serving member. And there's practical advice on acting; directing; staging fights; designing costumes; and integrating music, dance, masks, and puppets into performances from teachers and others who have refined their methods by performing Shakespeare in the classroom.

Even the most resolutely disengaged students can finally 'discover' and thrill to the rhythms and passions of Shakespeare's plays! Award-winning teachers and Shakespearean scholars have extensively trialled their approach to teaching Shakespeare's plays in the classroom, and this series is the result! The plays in this series are becoming increasingly popular for student resources in schools as English and Drama teachers discover their fabulous teaching and learning qualities.

This student friendly book draws together text, context, criticism and performance history to provide an integrated view of one of the most dazzling works of the early modern theatre.

What sets The Theological Intentions of Mark's Literary Devices apart from other books? What niche does it fill that makes its publication important? This volume will interest all those who value a literary approach to the Gospel of Mark. Dean Deppe introduces some new literary devices in the research of the Gospel of Mark as well as demonstrates the theological intentions of Mark when he employs these literary devices. Deppe argues that Mark employs the literary devices of intercalation, framework, allusionary repetitions, narrative surprises, and three types of mirroring to indicate where he speaks symbolically and metaphorically at two levels. Mark employs these literary devices not just for dramatic tension and irony, but also for theological reasons to apply the Jesus tradition to specific problems in his own day.
