Little Bird
Beautiful. -Recommended by Tân, City Lights Books A man drives his truck up to a cliff's edge. Unable to go any further, he opens the back door of his truck and a flock of birds flies out, but, as the man soon discovers, a small timid bird remains. Surprised and delighted, the man acts kindly towards the bird and an intimacy develops. After lunch, the man tries to show the bird that he should fly off and join his friends. The man's comic attempt at flight deepens the encounter between these two very different creatures. Soon the bird flies off and the man drives away, but in a surprise twist the bird and his friends return, and in a starkly lyrical moment we see them all experience something entirely new. Celebrated Newbery Medalist Cynthia Voigt introduces Little Bird, a tiny crow with a big imagination and an even bigger heart, in this timeless read-alone and read-aloud just right for the young middle grade audience. Little Bird features black-and-white illustrations by Newbery Medalist Lynne Rae Perkins throughout. When a wild fisher cat attacks their nest, Little Bird and her flock are devastated. Not only does the fisher cat harm the fledglings, but it also makes off with the shiny pendant that the superstitious crows rely on for good luck. Little Bird believes that she can find the lucky pendant and return it to the nest before disaster strikes. The other crows aren't so sure--after all, Little Bird is so little and undependable and meek. But with the help of some new friends--including a very funny goat--Little Bird journeys through forests and over lakes and fields, challenging her wits and survival skills along the way. The crow who returns home is wiser, braver, kinder, and ready--at last--to spread her wings. Newbery Medalist Cynthia Voigt's gentle humor, sense of fun and adventure, and delightful main character sing off the page in this timely short novel about bravery and friendship, illustrated by Newbery Medalist Lynne Rae Perkins. A page-turning read-aloud for families and classrooms, and a terrific book for fans of Nuts to You, by Lynne Rae Perkins, and Avi's Poppy books.

Ten-year-old Comfort Snowberger has attended 247 funerals. But that's not surprising, considering that her family runs the town funeral home. And even though Great-uncle Edisto keeled over with a heart attack and Great-great-aunt Florentine dropped dead--just like that--six months later, Comfort knows how to deal with loss, or so she thinks. She's more concerned with avoiding her crazy cousin Peach and trying to figure out why her best friend, Declaration, suddenly won't talk to her. Life is full of surprises. And the biggest one of all is learning what it takes to handle them. Deborah Wiles has created a unique, funny, and utterly real cast of characters in this heartfelt, and quintessentially Southern coming-of-age novel. Comfort will charm young readers with her wit, her warmth, and her struggles as she learns about life, loss, and ultimately, triumph.

Today is the day Tiny Bird begins its amazing journey south for the winter, traveling as fast as thirty miles an hour for hundreds of miles on end. The trip is long, with savage weather and many predators along the way, but Tiny Bird is built for this epic journey and eventually arrives at its winter home.
