Love Signs explores how love is distinctly translated through each of the twelve zodiac signs. Goodman works her way through each sign methodically, providing the male and female perspective in each possible pairing. From another author, this could have turned out to be quite tedious, but reading a book written by Goodman is more like having a conversation with an old friend. She's witty as well as wise, and she brings each pairing to life. Related Articles. Linda Goodman's Sun Signs Book Review

The New York Times–bestselling author ' s classic guide to astrology: " What makes Sun Signs different is that much of the writing is done with humor " (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman ' s Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman ' s Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book ' s simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

A guide to help you discover all the powers you possess. How you can achieve financial freedom and financial security, which holistic healing methods really work, the hidden meanings that can be found in numbers, words, and deja vu, how music, color, and crystals can be used to improve your body and your mind.

An individualized, detailed astrological analysis of compatibility, based on each person's birthchart, includes instructions on how to create astrological charts using your birthdate and birthtime. Reprint.

Linda Goodman is the world's best-known astrologer. Her three books, Sun Signs, Love Signs, and Star Signs have sold over 40 million copies in many languagaes. Known to her friends as both a poet and a romantic, Linda Goodman's view of the world was influenced by the astrology she understood so well. That unique combination of talents produced this charming and profound book. These poems about love and loss, death and reincarnation, beauty and romance, all seen through the prism of an astrological landscape, teach us how this fascinating science helps weave the fabric of our lives. But even more than that--like most great poetry, they make the heart sing and the spirit soar, and give us the wisdom to appreciate that the dance is eternal.
