the Indian Air Force in 1986. The book includes his life as an enlisted airman, his experiences as a qualified engineering officer in helicopter, transport and fighter squadrons, his training at the Defence Services Staff College, Wellington, and subsequent staff appointments, and about his tenure as a military diplomat at the Indian Embassy in Moscow and appointment as the commanding officer of an Air Force Station. Details of his life as an executive in Daimler–Benz Aerospace for a decade after retirement are also mentioned in the narrative.

Dr. Shetty ' s provocative statements and prescriptive solution to various problems facing the oldest and the largest democracies in the world has been thoroughly analyzed and scrutinized. The author ' s life history has been highlighted to show to the younger disillusioned generation that one can reach pinnacle of success in spite of all the ups and down in life. Dr. Shetty, a highly educated and qualified drug discovery scientist, received his Ph.D. two M.S. and two B.S. degrees from U. Penn and University of Science in Philadelphia. He has received scientific awards, authored and coauthored scientific papers and patents, lectured and chaired national and international conferences all over the world. Dr. Shetty was born in India, became a naturalized citizen of the United States of America, the country
