Make a skeleton. Step one is, as always, the most important part of this activity – enjoying time collecting natural materials with your kids. Collect one large rock and lots of thin sticks. Many different sizes works well. Collect some small rocks too! Paint the skull on your biggest rock.

~~Make a SKELETON with sticks and have fun learning about bones!~~

This cheeky little skeleton is sure to tickle your kids' funny bones! He's so cheap and easy to make and will look really creepy hanging on the wall or on the back of a door.

~~How to make a skeleton - GoodtoKnow~~

Years ago before the my two oldest kids were small, someone shared an ingenious pattern of making a skeleton out of 4 litre milk jugs and we spent a Saturday building it for halloween. We still pull that skeleton out every year and he still looks great. Recently, someone mentioned that they were looking for that pattern, so I dug it out again and my two youngest are now saying
