Step by step tucking guide. First: Let's talk fit To get the best fit, you'll want to give some thought as to where on the front of your body you start when applying the T-Tape. Starting lower is better. Lower application in the front of the body will give you more material to work with as you pull it all back for a better fit that stays in place.

Chastity works best when it is both a carrot and a stick. By making sure there is a release date on the horizon, less experienced chastised men will have less trouble accepting their condition. Of course, it is absolutely vital in this type of arrangement that your man knows that serious infractions or behavior that greatly displeases you will get that date pushed back.
