Crocheted mandalas are having a moment! And it's no wonder the lovely mandala is in vogue: one evening is often enough to begin and finish something eye-catching. Many crocheters make mandalas as a meditative activity, while others love them simply for the wonderful opportunities they offer for mixing colors and stitch textures. A new take on traditional shapes, like granny squares or hexagons, these attractive crocheted circles are causing a real buzz in the crochet community. Included are complete written and charted directions for a variety of types of circular designs, plus a range of creative techniques and ideas to make yours stand out from the crowd. With full patterns and inspiring photos, a review of crochet techniques, a discussion of materials, colors, finishing techniques, and lots of project ideas including bags, shawls, blankets, and pillows, this book guarantees many hours of happy mandala-making.

50+ mandalas in fresh, modern colors! In Modern Crochet Mandalas, you'll find more than 50 uniquely delightful pieces to stitch up whenever the mood strikes. Bursting with

imagination and a playful use of color, these mandalas will keep you happily stitching the day away. Mandalas are the perfect crocheted pieces. Whether you're a beginner or a more experienced crocheter, they offer a unique canvas for experimentation with color, texture, and many types of stitches, all within a relatively small space. Inside, you'll find a detailed set of directions accompany each piece, as well as stitch chart and gorgeous color photographs--the perfect combination of inspiration and instruction. Featuring a foreword and numerous patterns by Sandra Eng of (@mobiusgirl on Instagram), *Modern Crochet Mandalas* is a fresh new direction for your crochet passion.

The latest addition to our best-selling *Encyclopedia of Art* series (more than 300,000 copies sold!) focuses on the wonderful textures of crochet. All the essential tools and techniques are clearly explained in more than 400 diagrams and photographs, making it an invaluable guide for both beginners and the more experienced crafters. Readers will discover new twists on the basics, and learn how to create complex-looking stitches, openwork and lace, multicolored patterns, shaped motifs, Afghan squares, and much more. A 16-page gallery in the back of the book features a wide range of crochet items from designers around the world, a perfect section to inspire creativity.

Learn to apply the top-down construction method to crochet with fourteen gorgeous patterns you can adjust as you go for a customized fit! Welcome to the new era of crochet. Making garments from the top down is a favorite knitting technique that allows knitters to test and adjust the fit as they go. Now, thanks to designer Dora Ohrenstein, crocheters will benefit for the first time from a pattern book featuring the same beloved approach. These fourteen fashionable patterns are sure to flatter bodies of all shapes and sizes. Show-stopping original photography, an extensive discussion of the benefits of top-down construction, and detailed instructions on how and why to adjust the patterns to ensure an exquisite customized fit will have crocheters tying themselves in knots to start strutting their stuff!

Step inside the enchanted world of arcane imagery and rich esoteric symbolism in this deeply imaginative embroidery art book! Author Gayla Partridge draws upon her knowledge of vintage anatomical artwork, floral design, palmistry, Ouija, and oddities from the natural world to create magical, witchy twists on an age-old craft. Through extraordinary, stylized photography and detailed close-ups of designs, the embroidery art in *Stitchcraft* is entirely achievable with basic stitches and easy-to-follow instructions, enchanting beginners and expert

crafters alike. Stitchcraft features:

- 30 intricate embroidery designs, using a combination of nine basic stitches
- Insights from the author on how she created each piece
- 30 basic patterns to get you started embroidering your own version of her designs

From the anatomy of a snake to floral skulls, from palmistry hands to botanical hearts, readers will be inspired to recreate Partridge's spellbinding designs and to make them their own.

This wonderful collection of 50 innovative square designs will quickly become a much-used volume in your personal crochet library. Whether you are looking for a colorful square for a child's afghan, a square suitable for your favorite man, or a dramatic flower design, you'll find it here. The squares, ranging from 5 to 12, are all shown crocheted using worsted (medium) weight yarn. However, you may make the squares in any weight yarn or thread you choose, which will of course change the size and appearance. You should also feel free to change colors to suit your own taste and decor. Different colors can completely change the way a square looks. Patterns include Water Lily, Coral Coneflower, Ruffle-Go-Round, Pineapples, Whirligig, and more. 50 Fabulous Crochet Squares (Leisure Arts #4420)

A granny square is a simple technique that has been used to learn crochet for years but

is now trendier than ever, and this guide demonstrates how to easily create these hip squares in endless color and size variations to make original projects and gifts or embellish larger items. The 20 different squares, including flower patterns, can be interpreted in different colors and yarns to create a kaleidoscope of effects. Also included are six projects that crocheters can use to turn their squares into a baby blanket, arm warmers, a purse, a pin cushion, a mug cozy, and a stylish pair of boot toppers. DMC yarns as well as fancy yarns are used, all of which are readily available, and both U.S. and UK crochet abbreviations are listed throughout.

This updated second edition of The Granny Square Book features 25 brand new squares, and 25 all-new projects to make. Beginners welcome! Margaret Hubert makes learning to crochet easy. Since it was first published in 2011, The Granny Square Book has instructed and inspired more than 70,000 crocheters to make and create beautiful, stylish projects with these classic motifs. Now designer and author Margaret Hubert has updated her bestselling and beloved book to include 25 additional crochet squares (for a total of 100!) and 25 all-new projects to make, wear, and give. Margaret shows the evolution of the granny square, how it can be used and interpreted in different ways with different yarns, and how today's crocheter can design

her own projects using the granny squares of her choice with the yarn choices of today. Among the designs are accessories (headbands, bags, and jewelry); garments (vests, jackets, and tops); and decorative items and gifts (afghans, pillows, and a sweater set for baby). The Granny Square Book, Second Edition, offers crocheters at all skill levels more, and more to love about, this timeless motif.

Stitch dictionaries are to knitters what Webster's is to a writer. Within the pages of these inspiring reference books are the endless variations of knit and purl stitches that produce the fabrics of all knitting. But in the *Up, Down, All-Around Stitch Dictionary*, designer Wendy Bernard does something no other author has done before—she presents instructions for working 150 popular stitch patterns four different ways: top down, bottom up, back and forth, and in the round. This hefty collection, ranging from lace and cables to colorwork and fancy edgings, is loaded with beautifully photographed swatches of each pattern, plus charted and text instructions. To showcase the stitch patterns in action, Bernard also includes instructions for eight garments as well as her famous formulas for knitting garments without a pattern. This is an invaluable go-to resource, sure to inspire legions of knitters to use stitch patterns in new and exciting ways.
