The New York Times bestselling "road map of conscious compassion and love" (Deepak Chopra) from actor, singer, songwriter Tyrese Gibson. Organized as a series of fundamental questions that helped Tyrese redefine who he was as a human being, and evolve into a new man, How To Get Out of Your Own Way is a guide to helping yourself, using his experiences as a learning tool. "It's not about talking down to people, it's about elevating them," Tyrese says, stressing that life becomes infinitely richer when one takes the time to know oneself and understand the true meaning of peace and fulfillment. Some of Tyrese's chapter-based questions include: How much do you love yourself? How much do you want for yourself? Why do men cheat? What is your bottom line? Are you ready for the next level? With personal experiences paired with reflective questions based on his extremely popular blog piece, "The Love Circle", Tyrese hopes to inspire readers to pursue their dreams and not let life's obstacles stand in the way. "A triumph. Tyrese will shock and amaze you with how he overcame the odds and became a superstar." --Rev Run "I've watched Tyrese for many years -- I've watched him succeed; I've watched him fail; I've seen him as a beneficiary of serendipity, and I've watched him suffer at his own hand. And in the recent years, as we've become friends, I've witnessed Tyrese Gibson learn how to get out of his own way." --Will Smith

Now, Whoopi will speak openly about why marriage isn't for everyone, how being alone can be satisfying, and how what's most important is understanding who you are and what makes you happy. Wise, funny, and conversation-starting, Whoopi's message is sure to resonate with the millions of people who struggle with relationships every day. Goldberg says: "I get to hear from a lot of different people about relationships and this got me trying to figure out why the divorce rate is SO high. It occurred to me that as one who has done it badly often, I might have some insight. It's hard to really know the other person's agenda, but if someone says 'you complete me'...RUN!!!"

Self-help has long been a tradition in the Black community. Relationship advice within this genre has gained popularity with books such as Steve Harvey's Act Like A Lady Think Like a Man: What Men Really Think About Love, Relationships, Intimacy, and Commitment and Tyrese Gibson and Rev. Run's Manology: Secrets to Your Man's Mind Revealed, to name a few. However, few social and cultural history works focus on the culturally embedded linkages between worthiness for respect to sexual propriety, behavioral decorum, and the gate-keeping function they serve for Black women's right to full citizenship.*

RUN DMC.’s iconic rapper Joseph “Reverend Run” Simmons and his wife, Justine, share their secrets to lasting love and the guiding principles that have kept them together for more than twenty years. Written with Amy Ferris. This is a book about love. The kind of love that will keep you warm at night—that will keep you feeling safe and sound. The kind of love that will get you through some dark times; get you through some hard and yes, some tough times. The kind of love that will make you laugh, that will make you smile, that will make you nod knowingly. The kind of love that is nurtured and watered and grows—from a seedling to a flower. The kind of love that is desperately needed in the world right now, shared and sprinkled everywhere. Old School Love is a book to help you find the kind of soul-filling love you desire, written by a couple who has built a strong and joyful relationship amid the pressures, pitfalls, and temptations of the entertainment industry. Rev Run and his wife, Justine, have been blessed with a devoted partnership that has inspired others. In this homage to classic courtship, Rev and Justine reveal the secrets to their marriage’s longevity and happiness. Each chapter of Old School Love offers stories, anecdotes, and memories of Rev and Justine’s marriage, their family, their experiences, their passion, and their deep faith and belief in God. Some will make you laugh, some will make you think, and some will make you cry. Yet all will make you wiser—more beautiful for the wear—and encourage you to be a kinder, more generous, and better human. Their reflections are bookended by a verse or line from scripture, a saying, or a favorite quote and a sampling of personal wisdom. Over two decades strong, Rev and Justine’s partnership is an inspiration. With Old School Love they are spreading their message of positivity, and creating a legacy for all of us to embrace and share. Powerful and life-changing, this little gem of a book is about magic, and miracles, and yes, the irrefutable power of love. Old School Love includes 8 pages of photos from Rev and Justine's personal collection.

Based on an episode of "Sex and the City," offers a lighthearted, no-nonsense look at dead-end relationships, providing advice for letting go and moving on.
