A quick and easy YA read on Mark Twain and how his books have been censored and challenged since they first came out. Some of the reasons are : uncouth language, racism, fear of teaching bad habits to children, suitable for ‘ slums ’ only. I am not a fan of book censorship in general.

Mark Twain: Banned, Challenged, and Censored by Michelle M. ...

In 1885, Concord Public Library banned the book, attacking the novel as "absolutely immoral in its tone.¶ One library official noted that "all through its pages there is a systematic use of bad grammar and an employment of inelegant expressions.¶ Mark Twain, for his part, loved the controversy for the publicity it would generate.

The early twentieth century saw some more Huck bans. They were short-lived; but Mark Twain's Eve's Diary, published in 1906 and banned by the Charlton, Massachusetts, public library, was restored to the shelves just two years ago. It was the illustrations (by Lester Ralph) that offended: They depicted Eve as a naked woman(stylized, but naked.

Readers may be familiar with the challenges against The Adventures of Huckleberry Finn for its racist language and demeaning portrayal of the runaway slave Jim, but they may be surprised to learn that Huckleberry Finn, along with its predecessor, The Adventures of Tom Sawyer, was originally challenged during Twain's lifetime by those who were concerned that children would want to emulate the improper behavior of the main characters. Houle offers a brief history of censorship in literature in ...

"Examines the life of Mark Twain, his most famous literary works, and the controversy his literature has created in schools and libraries"—Provided by publisher.

NATIONAL BESTSELLER ¶ The acclaimed Nobel Prize winner powerfully examines our obsession with beauty and conformity¶and asks questions about race, class, and gender with her characteristic subtly and grace. In Morrison's bestselling first novel, Pecola Breedlove¶an 11-year-old Black girl in an America whose love for its blond, blue-eyed children can devastate all others¶prays for her eyes to turn blue: so that she will be beautiful, so that people will look at her, so that her world will be different. This is the story of the nightmare at the heart of her yearning, and the tragedy of its fulfillment. Here, Morrison's writing is ¶so precise, so faithful to speech and so charged with pain and wonder that the novel becomes poetry¶ (The New York Times).

In a radical departure from standard editions, Twain's most famous novels are published here as the continuous narrative that the author originally envisioned. More controversial will be the decision by the editor, noted Mark Twain scholar Alan Gribben, to eliminate the pejorative racial labels that Twain employed in his effort to write realistically about social attitudes of the 1840s. Gribben points out that dozens of other editions currently make available the inflammatory words, but their presence has gradually diminished the potential audience for two of Twain's masterpieces. "Both novels can be enjoyed deeply and authentically without those continual encounters with the hundreds of now-indefensible racial slurs," Gribben explains.

The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

NEW YORK TIMES BESTSELLER ¶ A haunting, unforgettable mother-daughter story for a new generation¶the debut of a blazing new lyrical voice NAMED ONE OF THE TEN BEST NONFICTION BOOKS OF THE YEAR BY ENTERTAINMENT WEEKLY
Domenica Ruta grew up in a working-class, unforgiving town north of Boston, in a trash-filled house on a dead-end road surrounded by a river and a salt marsh. Her mother, Kathi, a notorious local figure, was a drug addict and sometimes dealer whose life swung between welfare and riches, and whose highbrow taste was at odds with her hardscrabble life. And yet she managed, despite the chaos she created, to instill in her daughter a love of stories. Kathi frequently kept Domenica home from school to watch such classics as the Godfather movies and everything by Martin Scorsese and Woody Allen, telling her, ¶This is more important. I promise. You'll thank me later.¶ And despite the fact that there was not a book to be found in her household, Domenica developed a love of reading, which helped her believe that she could transcend this life of undying grudges, self-inflicted misfortune, and the crooked moral code that Kathi and her cohorts lived by. With or Without You is the story of Domenica Ruta's unconventional coming of age¶a darkly hilarious chronicle of a misfit 190s youth and the necessary and painful act of breaking away, and of overcoming her own addictions and demons in the process. In a brilliant stylistic feat, Ruta has written a powerful, inspiring, compulsively readable, and finally redemptive story about loving and leaving. Praise for With or Without You ¶A luminous, layered accomplishment.¶¶The New York Times Book Review ¶A singular new coming-of-age memoir traces one girl's twisting path up from mean streets (and parents) to the reflective life of a writer. . . . The burgeoning canon of literary memoir . . . begets another winner in Domenica Ruta's searing With or Without You. . . . [A] gloriously gutsy memory-¶¶Elle ¶Stunning . . . comes across as a bleaker, funnier, R-rated version of The Glass Castle and marks the arrival of a blazing new voice in literature.¶¶Entertainment Weekly ¶Valiant and heartbreaking.¶¶Bust ¶Powerful. . . . Ruta found an unconventional voice, a scary good mixture of erudition and hardened street smarts. Her writing is also, as they say in Danvers, wicked funny¶though in her case wicked is more an adjective than an intensifier. . . . [With or Without You] hums with jangled energy and bristles with sharp edges. . . . Ruta writes with unflinching honesty.¶¶Slate ¶Bracingly funny and poignant.¶¶The Boston Globe ¶Exceedingly powerful.¶¶Booklist

Mark Twain is perhaps the most widely read and enjoyed of all our national writers. This Library of America collection presents his best-known works, together for the first time in one volume. Tom Sawyer ¶is simply a hymn.¶ said its author, ¶put into prose form to give it a worldly air.¶ a book where nostalgia is so strong that it dissolves the tensions and perplexities that assert themselves in the later works. Twain began Huckleberry Finn the same year Tom Sawyer was published, but he was unable to complete it for several more. It was during this period of uncertainty that Twain made a pilgrimage to the scenes of his childhood in Hannibal, Missouri, a trip that led eventually to Life on the Mississippi. The river in Twain's descriptions is a bewitching mixture of beauty and power, seductive calms and treacherous shoals, pleasure and terror, an image of the societies it touches and transports. Each of these works is filled with comic and melodramatic adventure, with horseplay and poetic evocations of scenery, and with characters who have become central to American mythology¶not only Tom Sawyer and Huck Finn, but also Roxy, the mulatto slave in Pudd'nhead Wilson, one of the most telling portraits of a woman in American fiction. With each book there is evidence of a growing bafflement and despair, until with Pudd'nhead Wilson, high jinks and games, far from disguising the terrible cost of slavery, become instead its macabre evidence. Through each of four works, too, runs the Mississippi, the river that T. S. Eliot, echoing Twain, was to call the ¶strong brown god.¶ For Twain, the river represented the complex and often contradictory possibilities in his own and his nation's life. The Mississippi marks the place where civilization, moving west with its comforts and proprieties, discovers and contends with the rough realities, violence, chicaneries, and promise of freedom on the frontier. It is the place, too, where the currents Mark Twain learned to navigate as a pilot¶an experience recounted in Life on the Mississippi¶move inexorably into the Deep South, so that the innocence of joyful play and boyhood along its shores eventually confronts the grim reality of slavery. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The surprising final chapter of a great American life. When the first volume of Mark Twain's uncensored Autobiography was published in 2010, it was hailed as an essential addition to the shelf of his works and a crucial document for our understanding of the great humorist's life and times. This third and final volume crowns and completes his life's work. Like its companion volumes, it chronicles Twain's inner and outer life through a series of daily dictations that go wherever his fancy leads. Created from March 1907 to December 1909, these dictations present Mark Twain at the end of his life: receiving an honorary degree from Oxford University; railing against Theodore Roosevelt; founding numerous clubs; incredulous at an exhibition of the Holy Grail; incredulous about the authorship of Shakespeare's plays; relaxing in Bermuda; observing (and investing in) new technologies. The Autobiography's "Closing Words" movingly commemorate his daughter Jean, who died on Christmas Eve 1909. Also included in this volume is the previously unpublished "Ashcroft-Lyon Manuscript," Mark Twain's caustic indictment of his "putrescent pair" of secretaries and the havoc that erupted in his house during their residency. Fififully published in fragments at intervals throughout the twentieth century, Autobiography of Mark Twain has now been critically reconstructed and made available as it was intended to be read. Fully annotated by the editors of the Mark Twain Project, the complete Autobiography emerges as a landmark publication in American literature. Editors: Benjamin Griffin and Harriet Elinor Smith Associate Editors: Victor Fischer, Michael B. Frank, Amanda Gagel, Sharon K. Goetz, Leslie Diane Myrick, Christopher M. Ohge

Literature Suppressed on Sexual Grounds, Revised Edition examines the issues underlying the suppression of more than 100 works deemed sexually obscene. The entries new to this edition include America by Jon Stewart, Sex by Madonna, The Buffalo Tree by Adam Rapp, and many more. Also included are updates to entries such as Forever by Judy Blume, and more

The adventure starts when cousins Fone Bone, Phone Bone, and Smiley Bone are run out of Boneville and later get separated and lost in the wilderness, meeting monsters and making friends as they attempt to return home. Simultaneous.

The Meritorious Price of Our Redemption: A Facsimile Edition reproduces William Pynchon's rare 1650 theological treatise about the Atonement. Written in the dialogue genre and deemed heretical by Boston orthodoxy, the book was burned on the city Commons. More than three hundred years later Meritorious Price is transformed in On Perdition, a fictional counterpart that is inscribed in Thomas Pynchon's Gravity's Rainbow, a landmark in the contemporary American novel. The reworking of the Puritan past in this recent postmodernist novel in part results from Thomas Pynchon's direct descent from his Puritan ancestor, but more than that, it points at important continuities in American literature. Introductory essays by Michael W. Vella, Lance Schachterle, and Louis Mackey explore questions of genealogy, theology, and postmodernism in the presentation of this facsimile edition aimed at scholars and readers of both Pynchons.
