Mastering Rebreathers - princess.kingsbountygame.com

No question that one of the more significant developments in sport diving over the past 15 years is the fast rise of technical diving and the use of rebreathers. But they're complex to use and fraught with hazards for less-than-precise divers. Enter Mastering Rebreathers, 2nd Edition, by Jeff Bozanic, a long-time technical dive instructor, who published the first edition of this book in 2002.
