4. People often read nutrition labels on food products to determine the percent of the recommended daily value (RDV) of nutrients the food contains. By reading these labels you can

# Download File PDF Math Links

make wiser food choices to help maintain a healthy lifestyle. The nutrition label on a certain brand of grape juice says that one 250-mL glass of juice contains 130% of the RDV of Vitamin C, 2% of the RDV of iron, and 1% of the RDV of sodium.
