Being a gearhead matters. Much as we love reading about the latest hypercar or money-no-object custom project, we believe vehicles owned - and loved - by gearheads like us are just as meaningful, if not moreso. Our readers are self-made. We buy vehicles for specific reasons and we learn how to maintain, modify, and repair them ourselves. (With a little help from our friends, of course!) Everyone you meet in an issue of Gearbox Magazine is cool. If you spotted them in a parking lot, you could walk right up to them and strike up a conversation. And chances are you might end up lifelong friends. We're not looking to get rich and forget our roots. We're trying to make a few bucks so we can spend more time helping gearheads build high performance machines & lives. This issue isn't perfect, but neither are our daily drivers. We hope you'll grab a copy and tell a couple friends about us. Thanks for checking us out. GBXM-united. Better living through busted knuckles.

Matters such as: • The prospect of having Terry Nogan as president • Why you'll never see a woman driving a Lexus • The unforeseen consequences of inadequate birth control • Why everyone should spend a weekend with a digger Driven to Distraction is Jeremy Clarkson at full throttle. So buckle up, sit tight and enjoy the ride. You're in for a hell of a lot of laughs. Growing up in California, Dennis Severs fell in love with the England he saw in old black and white movies. At seventeen he came to London, looking for a home with a heart. In 1979 he found one, a run-down silk-weaver's house in Spitalfields, and over the next twenty years he transformed it into an enchanted time-capsule, transporting us back to the eighteenth century. From cellar to roof, he filled 18 Folgate Street with original objects and furniture, found in the local markets, lit by candles and chandeliers. More than that, he invented a family to live here, the Jervis family, Huguenot weavers who fled persecution in France in 1688, and bought the house in 1724. Sounds and scents bring their world to life, always just out of sight - floorboards creak, fires crackle, a kettle hisses on the hob. Visitors step through the frame of time, like entering an old master painting. As we move from room to room on a tour you will never forget, we follow the Jervis story from the days of the Georges and the Regency to harsher Victorian times - and even to the attic room of Scrooge himself.
