Anyone who likes to play in mud, playdough, papier-mache and similar mediums will love this book of over 125 clays, doughs, and modeling mixtures you can make yourself. The first chapter alone has 31 playdough recipes! Mudworks uses common household materials and requires no expertise. Ideal for fun or serious art for all ages, for home, school, or childcare. Also available in a bilingual Spanish and English version in eBook format, "Mudworks Bilingual". 1990 Benjamin Franklin Gold Award 1990 American Library Association (ALA) Starred Review 1995 ALA "Best of the Best" Books & Media for Children

"Preschoolers, art teachers, adventurous parents, and most anyone who likes to play in mud, peanut butter, playdough, papier-mache, and similar mediums will be ecstatic over Kohl's book. There are more than 100 recipes for dough, plaster, clay and other modeling mixtures that can be used for just plain fun or serious art". --ALA Booklist. Recipient of the 1990 Benjamin Franklin Award and the ALA Booklist Starred Review.

Includes instructions and recipes for making such creations as pinwheel sandwiches, frozen color pops, sentence sandwiches, and cantaloupe canoes

Bring out the child in you with adventurous art beyond your wildest imagination. Each art activity is larger than life in scope and fun! Try the Biggest Ever Bubble Prints, Broom Painting, Plunger Art, or the Titanic Simple Weave to delight children with the process of art.

Provides detailed instruction for many different kinds of creative art work for children.

Provides instructions for more than one hundred arts and crafts for children to make using common household items

"Over 100 art projects that teachers of children ages five to eight can do in the classroom. Also applicable to parents and other caregivers"--Provided by publisher.

Get ready to explore the world of science through art with these open-ended experiments! Science Arts introduces the scientific magic of crystals, light, constellations, plants, and more through creative art projects. Each of the more than 100 hands-on projects is designed to help children discover essential science topics through a creative process unique to each individual. Concepts include light and sight, motion and energy, and nature and ecology. Science Arts provides both teachers and parents with a diverse range of activities for making science creative, fun and fascinating. The possibilities are wide open and endless!

Anyone working with preschoolers and early primary age children will want this book. Over 200 activities teach children to explore and understand their world through open-ended art experiences that emphasize the process of art, not the product. Activities are included for painting, drawing, collage, sculpture, and construction.

The best 50 clay, dough, modeling and amazing mixture activities from the original award-winning book, "Mudworks", are presented in a butterfly-page format -- Spanish on the left and English on the right -- for art exploration and enjoyment by kids of all ages. Extra easy for kids' caring adults. Plenty of indexes and Resource Lists in both Spanish and English. If you want to brush up on your Spanish, or learn it for the first time, this book will help you do it. Trying to learn English? Enjoy!!
""Mudworks Bilingual" provides a unique opportunity for children, parents, teachers, and grandparents to read and create art together without language barriers, bringing Familia closer together. I highly recommend it!" ~ Edward James Olmos, film and stage actor, and head of latino reading programs in Los Angeles.
