George, Bobby and June My First Book of Patterns, art by Boyoun Kim. BOARD BOOK. Phaidon, 2017. \$17. 9780714872490 This is a line, what can a line make? Stripes! When you cross lines you can make plaid. A lot of diamonds can create harlequin and argyle. Squares can make checks. And octagon's honeycombs. But my favorite patterns are paisley and floral.

My first book of patterns (Book)

Have you learned your colors and shapes? Now it's time to learn patterns! Stripes, polka dots, plaid, chevron, and more are featured in this first-ever patterns concept book that provides readers with the vocabulary to name what they see in the world around them. The ten most prevalent patterns are presented first as a single element (This is a circle ...), then as a pattern (... a lot of circles make polka dots!). Conceived by educators and illustrated in vivid candy-colored hues, this pitch-perfect introduction to patterns will engage the artistic, mathematical, and linguistic parts of every young child's mind.

In this playful look at patterns, Brian P. Cleary and Brian Gable provide many examples of repeating sequences of shapes, colors, objects, and more. The comical cats of the wildly popular Words Are CATEGorical® series show how patterns can be found all around us. Peppy rhymes, goofy illustrations, and kid-friendly examples make pattern practice fun!

Illustrations and rhyming text describe various patterns depicted by different fish. Includes related activities.

Presents six dressmaking patterns that can be used to create an entire wardrobe that has thirty-six different looks and a total of over two hundred garments and accessories.

Preschoolers will develop important pre-writing fine-motor skills and hand-eye coordination through cutting and pasting activities, using That's Silly(TM) puzzles, matching, and more, all in an affordable, travel-friendly pad format. Being able to cut and paste is an important step toward school readiness, and Highlights infuses Fun with a Purpose® into this essential learning skill. Cutting and Pasting is a 64-page full-color pad that gives preschoolers plenty of practice with scissors through interactive puzzles, cutting lines and shapes, cutting out and assembling simple toys, and other activities that improve manual dexterity.

A delightful introduction to patterns! Whether it's stripes or polka dots, children will learn about unique patterns in Patterns. Each spread is full of glossy, embossed patterns to trace in this tactile learning experience. Little ones will love each brightly colored pattern and are encouraged to spot the patterns around them!
