Over half century ago the society for the Prevention of Cruelty to Children complained to Mayor Van Wyck, of New York, that Joe Keaton, a vaudeville actor, was brutally mistreating his five-year old son. At each afternoon and evening performance the child, billed as 'The Human Mop!', was slammed on the floor, hurled into the wings, and sometimes banged into bass drums. Unable to find a bruise or scratch on the lad, Mayor Van Wyck refused to ban the act. The 'Human Mop!' bounced on to worldwide fame as Buster Keaton, one of this century's greatest comedians. In this intimate autobiography Buster Keaton tells his whole personal and professional story, beginning with his colourful and exciting childhood as the undentable tot in the 'Three Keatons' whose proudest boast was having the rowdiest, roughest act in vaudeville. Buster has played with all the great ones, from George M. Cohen and Bojangles Robinson and Al Jolson to Jack Paar and Ed Sullivan and Red Skelton, during his sixty years as a star in vaudeville, silent and talking pictures, night clubs and television. Roscoe (Fatty) Arbuckle got him into the movies and taught him how to throw a custard pie. Buster could not even keep slapstick out of his eleven months as a draftee in our World War I army. He came out to help create the Golden Age of Comedy with his friends Charlie Chaplin, Harold Lloyd, Arbuckle, Mack Sennett and the Keystone Cops. Marital troubles and alcoholism once got Buster down, but could not keep him down. MY WONDERFUL WORLD OF SLAPSTICK was written with the collaboration of Charles Samuels, co-author of His Eye Is On the Sparrow, Ethel Waters' best-selling autobiography. Buster Keaton's Life Story will enchant and thrill all those who enjoy looking past the glitter and the grease paint into a magnificent performer's mind and heart.

Take a joyous ride with Winky and his wonderful world of shoes and their history. Put on a pair of magic shoes and learn about shoes around the World. This children's book is educational, exciting, and fun to read!

But all the kids are wearing them! Any child who has ever craved something out of reach will relate to this warm, refreshingly realistic story. Features an audio read-along. "I have dreams about those shoes. Black high-tops. Two white stripes." All Jeremy wants is a pair of those shoes, the ones everyone at school seems to be wearing. But Jeremy's grandma tells him they don't have room for "want," just "need," and what Jeremy needs are new boots for winter. When Jeremy's shoes fall apart at school, and the guidance counselor gives him a hand-me-down pair, the boy is more determined than ever to have those shoes, even a thrift-shop pair that are much too small. But sore feet aren't much fun, and Jereny comes to realize that the things he has -- warm boots, a loving grandma, and the chance to help a friend -- are worth more than the things he wants.

Are you ready for the coziest book of the year, with the charm of a modern-day Beatrix Potter? Pull up your comfiest chair, snuggle under a warm blanket, and discover the peaceful, enchanting world of Ruby Red Shoes and her grandmother, where friends are always welcome. Ruby Red Shoes is a thoughtful bunny who lives in a colorful painted caravan with her beloved grandmother. She is gentle and kind and cares for all living things. She loves strawberry jam, peppermint tea, long baths, and her wonderful pet chickens! Children just learning to read on their own will treasure this beautiful story that they can read on their own or enjoy as a read-aloud. Teeming with whimsy, Ruby's mindful, tranquil world embraces the reader like a warm hug. And bedtimes will be gentle, sweet moments, as young readers see Ruby and her grandmother tucked in with a book and a favorite quilt, watching the magical stars twinkle in the velvety sky. Once you've made friends with Ruby Red Shoes, you'll have a friend for life. "As a student of pleasant companionship, mindful existence, and living one's best life, Ruby Red Shoes excels, paws down." [Publishers Weekly] "Everything about this book asks readers to go slowly, to put aside the expected, and to savor the simplicity of the moment." [Kirkus

Me and My Wonderful World is an endeavour by an eight-year-old boy; who is adding imagination to his real-life experiences. As he moves from his 'home safari' to a thrilling day in school, not only these are fun to read but also bring an interesting perspective as to how an eight-year-old views life. Book is first of its series where he is sharing three different experiences. Since he is a budding writer stories keep shifting from first person to third person...nevertheless the thought is understood well.
